The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 13 Days
Countries visited: Kenya, Tanzania

Day 1:

Nairobi – Maasai Mara Reserve, Kenya

Distance travelled: +/-300km
Approx. driving time: 5 hours

We depart the city early and make our way across the Great Rift Valley to the Maasai Mara National Reserve, enjoying views of the vast vista en route. We travel in small specialized safari vehicles that enable us to have a more intimate view of wildlife. We spend two nights camping on the edge of the Reserve with time to explore the park on morning and afternoon game drives. The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days. The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo and leopard) and an array of other wildlife.

Day 4:

Nairobi – Arusha, Tanzania

Distance travelled: +/-270 Km
Approx. driving time: 5 Hours

Kenya & Tanzania Adventure (17KTA13) – Tour Dossier

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles and people, all nestling in the shadow of the brooding Mt Meru (4556m).

After exploring the curio markets, we head to our camp just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three day excursion to the Serengeti National Park and the Ngorongoro Crater.

This afternoon, if time allows, we enjoy a walk to one of the local Maasai villages to enjoy an insight into everyday life and traditions of this colourful culture.

Accommodation: Meserani Snake Park - Camping in twin share tents with shared facilities
Meals included: Breakfast, Lunch, Dinner
WIFI: No
Optional Activities: - Camel Ride \$10

Day 5:

Arusha - Serengeti National Park

Distance Travelled: +/- 250 Km

Approx. driving time: Full day including game drives

This morning we transfer to smaller, more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We enter the park and drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Maasai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* - 'the place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Serengeti National Park: Bush Camp - Camping in twin share tents with basic shared facilities
Meals included: Breakfast, Lunch, Dinner
WIFI: No
Optional Activities: Nil

Day 6:

Ngorongoro Crater

Updated: February 2017 for 2017 Departures

We drive out of the plains, game driving en route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Accommodation: Simba Camp - Camping in twin share tents with basic shared facilities
Meals included: Breakfast, Lunch, Dinner
WIFI: No
Optional Activities: Serengeti Balloon Flight -from US\$550

Day 7:

Ngorongoro Crater - Arusha, Meserani Snake Park

Distance Travelled: +/- 250 Km

Approx. driving time: Full days including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All of the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park.

Note: We may enjoy the Maasai walk on this day if we were unable to make this on day 4.

Accommodation: Meserani Snake Park - Camping in twin share tents with shared facilities
Meals included: Breakfast, Lunch, Dinner
WIFI: No
Optional Activities: Nil

Day 8:

Arusha - Bagamoyo

Distance travelled: +/-560 Km

Approx. driving time: 9 Hours

This morning we wake early and head south via Moshi to Bagamoyo. If the weather is clear we will be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our camp for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Day 9:

Bagamoyo – Dar es Salaam

Distance travelled: +/-60 Km

Approx. driving time: 2 - 3 Hours

Leaving Bagamoyo we make our way south to Dar es Salaam. 'Dar' is Tanzania's main port and is a hub of commerce and industry - a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast, accessing one of the most important sea routes in the world. To a majority of travellers, this city is the port of entry to the more exotic island of Zanzibar and other archipelago islands. We set up camp on the beach just outside of the city, take in the balmy Indian Ocean sea breeze, and prepare for our trip to Zanzibar.

Day 10:

Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches; romantic winding cobbled alleys and lush tropical forests. You will find all of these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed the spice trade here is centuries old: Zanzibarians have traded with the people of the Arabian peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: On Zanzibar breakfast is included for the sake of flexibility other meals are left for your own account. Typically we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Please note that some group members may be starting their tour in Dar es Salaam. Both old and new are invited to join in any group outings.

TOUR STYLE:

Camping Overland Tour

Travelling on an overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to "expect the unexpected" in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humored. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED:

All tour highlights, 2- person dome tents, fully equipped safari vehicles, camping and cooking equipment, sleeping mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED:

Adventure Pass, Activities and Excursions, visa's, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. **NB** lunch and dinners on Zanzibar are not included.

ADVENTURE PASS:

Every Overland tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2006 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

Kenya & Tanzania Adventure (17KTA13) – Tour Dossier

ACTIVITIES &

EXCURSIONS:

These are optional activities that are paid directly to the provider while on tour and you are free to decide what activities you would like to do. Please see table below for prices.

ACCOMMODATION:

We use 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. On Zanzibar we use basic tourist class local hotels.

TRANSPORT:

24-seater, self-contained, custom-built safari truck with onboard tables, plug sockets, freezer, water tank, library, i-pod jack, safety features and 70-litre individual lockers, pop top minivan, 4x4 safari vehicle and fast ferry.

GAME PARK VISITS

In order to maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.
