From Johannesburg - South Africa's commercial capital - we travel via the panoramic region of Mpumalanga with its beautiful scenery and dramatic escarpment views, to South Africa's famed national park – Kruger. Fences between the National Park and surrounding private reserves were removed several years ago to form the Greater Kruger, an area of some 24000 sq km. Wildlife is free to roam the whole enormous area and it has become incredibly diverse in both fauna and flora. From the dwarf mongoose to the famed 'Big Five', almost every major African mammal (over 148 species) is present. There is also prolific birdlife (over 505 species) and over 330 varieties of trees. This evening we enjoy Shangaan tribal dancing and singing around an open fire.

The wind-sculptured Matobo Hills are the site of numerous Bushman paintings and the area holds a special cultural and spiritual importance to the indigenous people here. The reserve has the largest concentration of Black and White Rhino in Africa and, provided conditions are right, our guides will lead us on foot to some of the

more concealed places in search of these magnificent animals. The park also has the densest population of leopard and black eagle in the world and we keep our eyes peeled high and low for these creatures. The hills are also home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. His grave can be visited at World's View - a place of continual debate owing to his involvement in claiming the land and its people for Queen & Country in colonial times.

Day 6:

Bulawayo – Livingstone, Zambia

Distance travelled: +/- 450 Km

Approx driving time: 10 Hours

Moving on from Bulawayo we continue north, and pass through the town of Victoria Falls, before crossing the border into Zambia, We travel the short distance to the Waterfront Resort campsite a few kilometres from Livingstone. Situated on the banks of the Zambezi River, the Waterfront has a restaurant and small deck/terrace overlooking the river, and is a base and booking point for the numerous optional activities available in the area. Staff will give a full briefing on what can be booked (typically including rafting, canoeing, bungee, abseiling, gorge swinging, horse riding, scenic flights and river cruises). Choose your activity at leisure, if time allows or else simply relax and enjoy the mighty Zambezi as it flows past your vantage point.

A visit to the Mosi Oa Tunya National Park is included in your tour – be sure not to miss it - at over a mile wide and some 100 metres deep the Falls at high water form the largest curtain of falling water in the world with spray visible from 20 kilometres away (hence the local name Mosi Oa Tunya, or 'smoke that thunders'). At low water the Zambezi dries so much that it is possible to walk out onto the river bed itself!

N.B: For the sake of practicality, meals in Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to enjoy the optional activities without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a selection of simple and reasonably priced meals and snacks throughout the day (allow US\$15-\$30 per meal). Relax and enjoy at your own leisure, or alternatively, take a taxi into Livingstone to try local fare.

The Chobe River is a major watering spot for large breeding herds of elephants, as well as families of giraffe, sable and buffalo. Although officially still a village, Maun has developed rapidly from a rural frontier town to a community that has spread along the wide banks of the Thamalakane River. This is an area where red lechwe antelope can still be seen grazing alongside local donkeys, goats and cattle. Since Maun's founding in 1915 it has had a reputation as a hard-living 'Wild West' town helping the local cattle ranching and hunting operations. Maun today is a thriving tourist town famous for its donkey population and to a lesser extent, goats. These animals can be seen standing around town as they are used by local traders and farmers alike to transport their wares to sell on the curb side.

NB: If time allows, we have the opportunity to take an optional scenic flight over the Delta in the afternoon.

Here we will be introduced to the local Tswana Polers who will be our guides for our overnight expedition. We travel by mokoro (dugout canoe) amongst the giant lily pads, tall grasses and labyrinthine channels in search of resident wildlife, making our way to our tented camp. The Okavango is a natural wetland spreading over some 1.6million hectares and offers a perfect habitat for the many species of wildlife that roam here freely. The Okavango River rises in Angola (farther to the north) and flows south, dividing repeatedly after crossing into Botswana to form an intricate floodplain of channels, which spread out into a broad flat inland delta – the only one of its kind in the world. We learn how they work with nature and manage the renewable resources found in their natural surroundings without damaging the fragile balance of this ecosystem - something we can all learn from. Your support of this ecotourism venture gives the San/Bushman a sustainable income and helps keep their culture alive. Around the campfire at night, you can experience the ancient dance rituals of the San/Bushman. On special occasions this could be a healing or trance dance, which can continue all night, and is an intense spiritual experience for participants and visitors alike.

Observers frequently see a range of night visitors including elephant, giraffe, zebra, even lion and hyena, making it one of the most memorable wildlife encounters in Namibia - a truly African experience and a highlight of any trip to Namibia. We have a short afternoon game drive on entering the park on our way to the camp. Please note that some group members may be ending or starting their tour in Windhoek.

Despite the dry nature of the terrain, the park sustains a wide variety of bird species including the large kori bustard, secretary bird and many other seed & insect eaters, as well as birds of prey.

After a full day game driving we return to camp, or onto the next camp and enjoy our last evening around the floodlit watering holes, observing natural animal behaviour at its best.

Etosha National Park – Spitzkoppe

Distance travelled: +/- 420 Km

Approx driving time: 6 hours

We game drive out of Etosha National Park, and turn south making our way to the beautiful Damaraland region where we explore the eerie Spitzkoppe where ancient bushman paintings are still visible. The giant boulder-like rock formations reach a peak at some 1800m above sea level, and create a spectacular view. Take your time to explore the area and its delightful calmness. Keep an eye on the ever changing colour of the rock, especially during sunrise and sunset, when they acquire intense red shades. The most impressive rock painting is "Bushman Paradise" and the natural rock bridge is a favourite viewpoint.

NB: Please take care if climbing onto the rocky outcrops. The surfaces have been smoothed by aeons of sun, wind and blown dust: they can be extremely slippery especially if you are not wearing suitable footwear.

The Spitzkoppe Rest camp lies at the base of the mountain and is owned and maintained by the local community to which all proceeds from our visit to Spitzkoppe go.

TOUR STYLE:

Camping Overland Tour

Travelling on an overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED:

All tour highlights, 2- person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED:

Adventure Pass Activities and Excursions (optional), visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. **NB:** Lunches and dinners in Swakopmund and Livingstone and dinner in Windhoek are not included in the tour price.

ADVENTURE PASS:

Every Overland tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2006 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS:

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION:

We use 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. In the Okavango Delta we

South West Safari (17SWS25) – Tour Dossier

use twin share pre-erected tents with en-suite facilities. In Swakopmund we use multi shared accommodation (dorm beds)

TRANSPORT: 24-seater, self contained, custom-built safari truck with onboard tables, plug sockets, freezer, water tank, library, i-pod jack, safety features and 70-litre individual lockers, 4x4 safari vehicles, mokoro (dugout canoe) and river boat.

GAME PARK VISITS In order to maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft holdall or rucksack along with a smaller day bag. We recommend you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

N.B: Acacia Africa has teamed up with SAVE (South Africa Volunteer Experience) which is a non-profit organization (NPO #088 104) that assists, develops and uplifts the local disadvantaged communities in and around the Dunoon Township of the Western Cape, South Africa. If you have any unwanted blankets, sleeping bags, clothing and shoes that you do not wish to carry after your travel, pop it into a bag and give it to our crew to donate to SAVE. INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. We can recommend a respected, specialist travel insurance provider for this tour. Please refer to:

In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-20 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2006** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

Currencies are as follows: Zambia – Zambian Kwacha; Botswana – Botswana Pula; Namibia – Namibian Dollar; South Africa – Rand. Please note that Rand is legal tender in Namibia at the same rate of exchange as the Namibian Dollar.

ATM machines are found in Southern Africa. Please note they are sometimes unreliable (therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people, and will greatly enhance your experience in Africa.
