Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 43 Days
Countries visited: Kenya, Tanzania, Malawi, Zambia, Botswana, Namibia and South Africa.

Day 1:

Nairobi – Maasai Mara Reserve, Kenya

Distance travelled: +/- 300 Km

Approx driving time: 5 hours

We depart the city early and make our way across the Great Rift Valley to the Maasai Mara National Reserve, enjoying views of the vast vista en route. We travel in small specialized safari vehicles that enable us to have a more intimate view of wildlife. We spend two nights camping on the edge of the Reserve with time to explore the park on morning and afternoon game drives.

Accommodation: Maasai Mara: Chronicle Tented Camp

Meals included: Lunch, Dinner

WIFI: Yes (Nairobi only)

Optional Activities: Nil

Day 2:

Maasai Mara Reserve, Kenya

Approx driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' – lion, rhino, elephant, buffalo and leopard.

The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days. The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo and leopard) and an array of other wildlife.

We stop for a lunch before returning to our tented camp for the evening.

Accommodation: Maasai Mara: Chronicle Tented Camp

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 3:

Maasai Mara Reserve – Nairobi, Kenya

Distance travelled: +/- 300 Km

Approx driving time: 5 Hours

From the Mara we make our way back across the Great Rift Valley to Nairobi, where we overnight. Tonight you have the opportunity to head out and explore Nairobi's bustling night life or dine at the famed Carnivore Restaurant.

Accommodation: Karen Camp - Camping in twin share tents with shared facilities

Meals included: Breakfast, Lunch

WiFi: No

Optional Activities: Nil

Day 4:

Nairobi – Arusha, Tanzania

Distance travelled: +/- 270 Km

Approx driving time: 5 Hours

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles and people, all nestling in the shadow of the brooding Mt Meru (4556m).

After exploring the curio markets, we head to our camp just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three day excursion to the Serengeti National Park and the Ngorongoro Crater.

This afternoon, if time allows, we enjoy a walk to one of the local Maasai villages to enjoy an insight into everyday life and traditions of this colourful culture.

Accommodation: Meserani Snake Park - Camping in twin share tents with shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Camel Ride US\$5. Guided Walk US\$7

Day 5:

Arusha - Serengeti National Park

Distance Travelled: +/- 250 Km

Approx driving time: Full day including game drives

This morning we transfer to smaller, more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We enter the park and drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and

burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Maasai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* - 'the place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Serengeti National Park: Bush Camp - Camping in twin share tents with basic shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Nil

Day 6:

Ngorongoro Crater

We drive out of the plains, game driving en route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Accommodation: Simba Camp - Camping in twin share tents with basic shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Serengeti Balloon Flight from US\$550

Day 7:

Ngorongoro Crater - Arusha, Meserani Snake Park

Distance Travelled: +/- 250 Km

Approx driving time: Full days including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All of the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park.

Note: We may enjoy the Maasai walk on this day if we were unable to make this on day 4.

Day 8:

Arusha – Bagamoyo

Distance travelled: +/- 560 Km

Approx driving time: 9 Hours

This morning we wake early and head south via Moshi to Bagamoyo. If the weather is clear we will be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our camp for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Accommodation: Fire Fly Camp - Camping in twin share tents with shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Nil

Day 9:

Bagamoyo – Dar es Salaam

Distance travelled: +/- 60 Km

Approx driving time: 2 - 3 Hours

Leaving Bagamoyo we make our way south to Dar es Salaam. 'Dar' is Tanzania's main port and is a hub of commerce and industry - a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast, accessing one of the most important sea routes in the world. To a majority of travellers, this city is the port of entry to the more exotic island of Zanzibar and other archipelago islands. We set up camp on the beach just outside of the city, take in the balmy Indian Ocean sea breeze, and prepare for our trip to Zanzibar.

Accommodation: Kipepeo Beach Resort - Camping in twin share tents with shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: Yes

Optional Activities: Nil

Day 10:

Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches; romantic winding cobbled alleys and lush tropical forests. You will find all of these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was

a major trading centre of spices. Indeed the spice trade here is centuries old: Zanzibaris have traded with the people of the Arabian peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the truck on the mainland, basic tourist class accommodation (B&B) is included but for the sake of flexibility other meals are left for your own account. Typically we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you have any questions or need activities arranged.

Please note that some group members may be starting their tour in Dar es Salaam. Both old and new are invited to join in any group outings.

Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe

and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day. The lake also has the highest number of endemic fresh water fish species of any in the world.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guide line only.

The surrounding hills are home to the Livingstonia Mission where David Livingstone worked from for a time while staying in Malawi. The views from here are simply magnificent and well worth the effort of hiking to. For those staying at the campsite, there is a local craft market where you can enjoy learning the ins and outs of the game of Bao, haggle for some souvenirs or enjoy a relaxing day admiring the shimmering waters from the beach.

We head south to Livingstone and set up camp at the Waterfront campsite on the banks of the Zambezi River, just a few kilometres from the Victoria Falls. At various times of year the spray from the 'Falls' can be seen from up to 20 or 30 kilometres away, hence the local name Mosi oa Tunya – the 'Smoke that Thunders'. Don't forget your raincoat to keep you and your camera dry!

The campsite management provide information on all activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, horse riding, scenic flights, river cruises), allowing you to plan your time accordingly over the next four nights.

NB For the sake of practicality, meals in Livingstone are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15 - \$30 per meal). including the famous African fish eagle and open vehicle game drive. We take both a Fish Eagle cruise on the Chobe River and an open vehicle game drive – a great opportunity to see hippo and perhaps elephant or buffalo coming to the river to bathe and drink. The Chobe River is a major watering spot for large breeding herds of elephants, as well as families of giraffe, sable and buffalo. The flood plains are the only place in Botswana where the puku antelope can be seen. Birding is also excellent here. When in flood, spoonbills, ibis, and various species of stork and other waterfowl flock to the area.

Elephant Sands, Nata - Maun

Distance travelled: +/- 360 Km

Approx driving time: 5 Hours

We leave Elephant Sands and make our way to Maun, the gateway to the Okavango Delta. Maun is an eclectic mix of modern buildings and native dwellings. Although officially still a village, Maun has developed rapidly from a rural frontier town to a community that has spread along the wide banks of the Thamalakane River. This is an area where red lechwe antelope can still be seen grazing alongside local donkeys, goats and cattle. Since Maun's founding in 1915 it has had a reputation as a hard-living 'Wild West' town helping the local cattle ranching and hunting operations. Maun today is a thriving tourist town famous for its donkey

population and to a lesser extent, goats. These animals can be seen standing around town as they are used by local traders and farmers alike to transport their wares to sell on the curb side.

NB: If time allows, we have the opportunity to take an optional scenic flight over the Delta in the afternoon.

Accommodation: *Delta Rain's Sitatunga Camp - Camping in twin share tents with shared facilities*

Meals included: *Breakfast, Lunch, Dinner*

Maun - Okavango Delta

Distance travelled: +/- 50 Km

Approx driving time: transfer 2 hours

Leaving the campsite in Maun we begin our excursion into the Okavango Delta in an open 4x4 truck to the mokoro station. Here we will be introduced to the local Tswana Polers who will be our guides for our overnight expedition. We travel by mokoro (dugout canoe) amongst the giant lily pads, tall grasses and labyrinthine channels in search of resident wildlife, making our way to our tented camp. The Okavango is a natural wetland spreading over some 1.6million hectares and offers a perfect habitat for the many species of wildlife that roam here freely. The Okavango River rises in Angola (farther to the north) and flows south, dividing repeatedly after crossing into Botswana to form an intricate floodplain of channels, which spread out into a broad flat inland delta – the only one of its kind in the world. We enjoy the afternoon wilderness experience and overnight listening to the sounds of the African night - an unforgettable experience!

Day 31:

Maun - Ghanzi

Distance travelled: +/- 260 Km

Approx driving time: 4 Hours

We leave Maun to make our way to Ghanzi, which skirts the Kalahari Desert. Here, in this midst of (seemingly) barren terrain - we meet the San/Bushman and have a guided bush walk for a cultural experience and insight into these ancient people's way of life. We learn how they work with nature and manage the renewable resources found in their natural surroundings without damaging the fragile balance of this ecosystem - something we can all learn from. Your support of this ecotourism venture gives the San/Bushman a sustainable income and helps keep their culture alive.

Around the campfire at night, you can experience the ancient dance rituals of the San/Bushman. On special occasions this could be a healing or trance dance, which can continue all night, and is an intense spiritual experience for participants and visitors alike.

Day 32:

Ghanzi – Windhoek, Namibia

Distance travelled: +/- 480 Km

Approx driving time: 10 Hours

Today we leave Botswana behind and travel to Windhoek, the capital of Namibia. Situated in a basin between the Khomas Highland, Auas and Eros Mountains, Windhoek (population approx 200,000) is small capital by global standards. The city centre is characterised by a proliferation of German style buildings, a lasting reminder of Namibia's early colonial history. Take the opportunity to enjoy a night out at one of the local restaurants or visit the famous 'Joe's Beer House'

Day 33:

Windhoek – Etosha National Park

Distance travelled: +/- 420 Km

Approx driving time: 8.5 hours

We make our way north to Etosha National Park, a vast reserve of over 20,000 sq km surrounding a central salt depression or pan. The pan is seasonally full of water but specially managed waterholes sustain some 114 mammal and 340 bird species throughout the rest of the year. We spend two nights here, usually making camp near a floodlit waterhole. Observers frequently see a range of night visitors including elephant, giraffe, zebra, even lion and hyena, making it one of the most memorable wildlife encounters in Namibia - a truly African experience and a highlight of any trip to Namibia. We have a short afternoon game drive on entering the park on our way to the camp.

Please note that some group members may starting their tour in Windhoek.

Etosha National Park

Distance travelled: +/- 250 Km

Approx driving time: Full day including game drives

Today, we enjoy a full day game driving in this magnificent animal kingdom - taking in the park's main characteristic, the salt pan. Despite the dry nature of the terrain, the park sustains a wide variety of bird species including the large kori bustard, secretary bird and many other seed & insect eaters, as well as birds of prey.

After a full day game driving we return to camp, or onto the next camp and enjoy our last evening around the floodlit watering holes, observing natural animal behaviour at its best.

Kenya to Cape Town (18KTC43) – Tour Dossier

We game drive out of Etosha National Park, and turn south making our way to the beautiful Damaraland region where we explore the eerie Spitzkoppe where ancient bushman paintings are still visible. The giant boulder-like rock formations reach a peak at some 1800m above sea level, and create a spectacular view. Take your time to explore the area and its delightful calmness. Keep an eye on the ever changing colour of the rock, especially during sunrise and sunset, when they acquire intense red shades. The most impressive rock painting is “Bushman Paradise” and the natural rock bridge is a favourite viewpoint.

NB: Please take care if climbing onto the rocky outcrops. The surfaces have been smoothed by aeons of sun, wind and blown dust: they can be extremely slippery especially if you are not wearing suitable footwear.

The Spitzkoppe Rest camp lies at the base of the mountain and is owned and maintained by the local community to which all proceeds from our visit to Spitzkoppe go.

After a well-earned breakfast we continue deeper into the park for a short shuttle ride and nature walk to 'Dead Vlei', amidst the giant sand dunes – a real glimpse of Namibia's unspoilt natural environment. Bring your camera – the shifting colours of the desert as the sun climbs throughout the mid/late morning offer some brilliant photographic opportunities. TOUR STYLE:

Camping Overland Tour

Travelling on an overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Kenya to Cape Town (18KTC43) – Tour Dossier

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. “African time” can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT’S INCLUDED: All tour highlights, 2-person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT’S NOT INCLUDED: Adventure Pass Activities and Excursions, visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. NB Dinner in Windhoek, lunches and dinners in Swakopmund, Livingstone, and on Zanzibar are not included.

ADVENTURE PASS: Every Overland tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2006 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS: These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION: We use 2-person dome tents with fly sheets, sewn-in groundsheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. In Maasai Mara we use multi shared tented camp with en-suite facilities. In the Okavango Delta we use twin share pre-erected tents with basic en-suite facilities. In the Serengeti & Ngorongoro Crater there are basic facilities. On Zanzibar we use basic tourist class local hotels. In Swakopmund we use multi shared accommodation (dorm).

TRANSPORT: 24-seater, self-contained, custom-built safari truck with on-board tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers, mokoro (dugout canoe), river boat, 4x4 safari vehicle and fast ferry.

GAME PARK VISITS: To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a ‘grassroots’ level to local economies from which local people benefit.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-20 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2006** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

Currencies are as follows: Kenya – Kenya Schilling; Tanzania – Tanzania Schilling; Malawi – Malawi Kwacha; Zambia – Zambian Kwacha; Botswana – Botswana Pula; Namibia – Namibian Dollar; South Africa – Rand; Please note that Rand is legal tender in Namibia at the same rate of exchange as the Namibian Dollar.

ATM machines are found in Nairobi, Arusha, Dar es Salaam, and Zanzibar and in Southern Africa. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people, and will greatly enhance your experience in Africa.
