## WHERE ADVENTURE BEGINS

### We are back on the road!

At Acacia, we are proud to say we remained open and continued to assist clients throughout the pandemic. And now that the tide is turning, we have some exciting updates.

Great news! **We are back on the road** with our first group departing later this month. Changing travel restrictions, mandatory testing, and government requirements are slowly lifting for vaccinated travellers, with the number of tourists on the increase. We feel it's time to move!

Acacia's [Short Safaris & Treks](#), [City Breaks](#), and [Signature Tours & Safaris](#) are operating. These country-specific safaris offer regular (some daily) departures from all major gateways including, Kampala, Nairobi, Moshi, Dar es Salaam, Vic Falls, Johannesburg, Durban, and Cape Town. Perfect for couples, families, and groups.

We are pleased to announce our ever popular [Small Group Safaris](#) will commence from December 2021.

NEW [Rediscover Africa Safaris & Tours](#) will be operating from January 2022. These new safaris and tours include familiar bucket-list routes showcasing some of the best highlights in southern and East Africa. Accommodation is a mix of mid-range lodges, independently owned properties, and camping where accommodation options are limited. Transport varies with group size and may include a custom-built Safari Vehicle, Minibus, 4x4 Safari Vehicle. Rediscover Africa Safaris & Tours are tailored specifically with the current travel trends in mind, caused by Covid-19, which has changed clients' needs and the way we travel in the immediate future.

[Adventure Camping](#) & [Adventure Accommodated](#) tours will begin to operate early in 2022.

We look forward to welcoming you back to Africa.
