It is our intention to adhere to the route described below, but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary and/or accommodation at short notice. Driving times are approximate and may vary due to bad weather, traffic, border crossings, police check-points, road works or road conditions and do not include any stops en-route. **Please therefore treat the following as a guide only.** This is a participation tour. Our accommodated tour option travels together with the camping counterpart. Your tour may form part of a longer tour, which some of your fellow travellers may have joined already or continue afterwards.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Countries visited: South Africa and Lesotho

Day 1: Umhlanga (near Durban), South Africa - Southern Drakensberg

Distance travelled: +/- 250 km
Approx. driving time: 5 - 6 Hours (excluding stops)

Our adventure starts as we head inland and drive via Pietermaritzburg and the lush mountainous countryside to our camp for the next two nights at Sani Lodge. This magnificent place is situated at the foot of the Sani Pass, the gateway to the mountain Kingdom of Lesotho. Once a mule track for trading blankets, clothing and maize meal for wool and mohair. This stunning pass is the only vehicle access road over the Drakensberg escarpment. This afternoon is yours at leisure to enjoy the spectacular views and the many amazing walking and hiking trails.

Day 2: Sani Pass, Lesotho

Distance travelled: +/- 30 Km
Approx. driving time: Full day tour

Today, we meet our local guides and join a guided tour of Lesotho via the spectacular gateway of the Sani Pass (2874 m).

We travel in 4x4 vehicles through the rugged cliffs of the Drakensberg Mountains listening to the tales of pioneering of the route, history of the area and the stunning wildlife that dot the sloping mountains. We drive further into Lesotho and visit a small household, and a shearing shed in a Shepherds village. We experience the local way of life and enjoy a traditional (vegetarian) Basotho lunch made up of samp and beans. Depending on the season and shearing times, we may get to view an angora goat, or a sheep being sheared by hand. Next on the list we ascend the Black Mountain, the second highest road pass in Lesotho rising 3240m. We meet the shepherds of the area who spend the summer months tending to their flocks before taking a short walk to view Thabana Ntlenyana. Rising at 3482m, this is the highest point in Southern Africa.

There are many optional trails to explore on foot and on horseback with a comprehensive guidebook available for visitors. This is a great way to explore the stunning picturesque surroundings at the foot of the Drakensberg, including the well-known Amphitheatre rock face. We also get to visit some ancient cave dwelling and witness bush rock art sights. A hiking and birders paradise, this region forms the top section of the magnificent Garden Route National Park. It's here you have the option to choose from a selection of optional activities depending on your energy and interests. From boat cruises and canoe trips to nature hikes and bird watching, the forest has something to offer for most visitors' curiosity and exploration desires. This region is home to the spectacular Cango Caves, Africa's largest show cave system. Situated in a limestone ridge parallel to the well-known Swartberg Mountains, here we find the finest dripstone caverns, with their vast halls and towering formations. After exploring the caves, we enjoy the night in the old settlers' town in the Karoo.

Distance travelled: +/- 400 km

Approx. driving time: 8 - 9 Hours (excluding stops)

Relaxed and revitalized from the wonderful Oudtshoorn hospitality, we board our vehicle and head south across the farmlands of the Cape to the coastal town of Hermanus, famous for its whale and dolphin sightings. En route we stop off at Cape Agulhas, the place where the Atlantic and Indian Oceans meet, lying at the southernmost tip of Africa. Historically, the 'Cape' coastline has been recognised by sailors as extremely hazardous, notorious for winter storms with huge rogue waves reaching a spectacular height of 30 metres. Therefore, it's no surprise that the coastline is littered with lonely shipwrecks. We visit the gigantic lighthouse built as early as 1848 before enjoying a lunch break. The late afternoon is spent exploring Hermanus, a haven for the outdoor enthusiast! We spend the night enjoying the town's atmosphere.

Optional Activities: Whale Watching Boat Trip

Day 12: Hermanus - Cape Town

Distance travelled: +/- 130 km

Approx. driving time: 3 - 4 Hours (excluding stops)

A free morning in Hermanus gives us ample opportunity to join a whale watching tour or explore the town's variety of shops and boardwalk on foot or visit the Old Harbour Open-Air Museum that is a provincial heritage site. This museum is unique as it is only one of two fishing harbours in the world that has been conserved intact, and remnants of the vibrant fishing industry can be seen everywhere. The museum is the axis around which the fishing village of Hermanus was developed.

We leave Hermanus before lunch and follow the rough coastal route taking a leisurely drive through small fishing towns. We visit a winery en-route to Cape Town where we enjoy wine tasting. The tour draws to an end towards late afternoon at the foot of Table Mountain in the popular mother city of South Africa, Cape Town.

Tour Information

TOUR STYLE:

Adventure Tour

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking, and keeping the Acacia vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife, and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding, and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

YOUR FELLOW TRAVELLERS:

Group Size: Maximum 18

Group Age: 16 - 75

Adventure Tours' travellers come from all over the world and from all walks of life.

NB: Sixteen- and seventeen-year-olds must be accompanied by at least one parent / legal guardian for the duration of their tour.

This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities, and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

These are optional activities that are booked during your holiday and paid directly to the provider whilst on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION:

We mainly use campsites / accommodation, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar, or swimming pool.

Acacia vehicle changes may occur on this route. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS: To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

PRE TOUR ACCOMMODATION

This tour departs Umhlanga (near Durban) early on Day 1; we strongly recommend therefore that you plan to arrive at least the day before departure to overcome any jetlag and to acclimatise to Africa. We would be happy to book pre-tour accommodation and transfers for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please book early to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings. If time allows, we also suggest planning a night or two extra (after your tour) to make the most of this part of Africa. Accommodation is usually available locally on arrival, but you can pre-book this with Acacia or your agent.

LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft holdall or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

VACCINATIONS / HEALTH

The table below indicates the vaccinations suggested for travel on this tour but **should be treated as a guide only**. You should seek professional medical advice from your GP or clinic at least six weeks prior to departure.

Certain nationalities requiring a visa are required to apply for a visa in advance of arrival.

Travelling with children: Please note that South Africa Immigration requires for all children under the age of 18 to travel with an unabridged birth certificate to enter this country. Specific requirements apply if the minor is not travelling with both parents listed on the certificate. Please see <https://www.dha.gov.za/index.php/immigration-services/types-of-visas> for more information.

Please see www.sars.gov.za/travellerdeclaration for more information.

LESOTHO

All nationalities must pay a Tourism Levy of R100 per person in cash to the border authorities.

INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <https://acacia-africa.com/travel-info> for more details. In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for snacks, drinks, souvenirs, tips, and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Most spending will be in South Africa Rand (for incidental expenses along the way, optional activities, most additional accommodation before/after the trip) but it's a good idea to bring along some US\$ cash for any international airport taxes or visas.

Spending money is best carried as cash in either South Africa Rand cash or US dollars, Sterling or Euro which can be exchanged into Rand on arrival and as you travel. Your guide will give general guidance about spending during the tour.

Currencies are as follows: South Africa - Rand; Lesotho - South African Rand is legal tender

ATM machines are found throughout South Africa.

Credit cards can be used to pay for larger optional activities although fees for use may be higher than you are accustomed to at home.

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

OPTIONAL ACTIVITIES

To give you maximum flexibility on tour we offer a number of optional activities on the tour. To help budget, approximate prices are listed below (in ZAR unless otherwise stated. All prices subject to change).

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
