Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. Our accommodated tour option travels together with the camping counterpart.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 14 Days
Countries visited: Kenya and Uganda

Day 1:

Nairobi - Lake Nakuru National Park

Distance travelled: +/- 190 Km

Approx. driving time: 4 Hours

We depart Nairobi early and descend into the 'Great Rift Valley', an enormous cleft in the Earth's surface stretching from the Red Sea to Madagascar but with particularly marked escarpments here in Kenya. We stop at a lookout point to take in the magnificent views. Our overnight stop is Lake Nakuru National Park, a relatively small park (by African standards) however prolific in wildlife, sited on the Great Rift Valley floor. The shallow soda lake attracts a huge variety of birdlife - especially flamingos, which may gather in such numbers that (when viewed from above) they form a strikingly pink 'fringe' around the lakeshore. However, Lake Nakuru is not simply a bird sanctuary, it is also home to buffalo, lion, rhino (black and white), leopard, warthog, baboon, antelope, and a variety of smaller animals. A delightful introduction to East Africa's wildlife diversity that we search for in an afternoon game drive making use of local guides and smaller safari vehicles for a more intimate experience.

Accommodation: Punda Miliis Camp (or similar) - Twin share accommodation with shared facilities

Meals included: Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 2:

Lake Nakuru - Eldoret

Distance travelled: +/- 150 Km

Approx. driving time: 3.5 Hours

From Nakuru we continue northwest and climb in altitude towards the town of Eldoret en route to the Ugandan frontier. We cross from the Southern Hemisphere to the Northern Hemisphere today over the Equator, enjoy some time here learning a little about its significance and taking photos before moving onwards to Eldoret. The name 'Eldoret' is based on the Maasai word 'Eldore' meaning stony river due to the stony bed of the nearby Sosiani River. The town is the 5th largest in Kenya and is the fastest growing with a population of approx. 194,000. We camp outside of the town in a unique campsite. It is created on a hilly forest tribal land, which was once home to members of the ancient Sirikwa tribe. Preserved on the site are excavations with stone sides, commonly called Sirikwa holes, which are believed to have been roofed and occupied by the inhabitants of a bygone age.

Accommodation: Naiberi Overland Camp (or similar) - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 3:

Eldoret - Kampala

Distance travelled: +/- 400 Km

14 DAY

GAME PARKS & GORILLAS (23GEN14A)

Small Group Adventure Accommodated Tour Dossier

Approx. driving Time: 7.5 Hours

We cross into Uganda, Winston Churchill's 'Pearl of Africa', a country with beautiful natural scenery and a rich mosaic of tribes and cultures. Travelling through Uganda you will be captivated by its sheer overwhelming beauty and friendly people. Our first night we camp in the capital city Kampala, which is an attractive hilly city, bustling with roadside traders, markets and busy matatu (mini-bus taxi) stands.

Please note that some group members may be starting their tour in Kampala

Accommodation: *Red Chilli Camp (or similar) - Twin share accommodation with shared facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Nil*

Day 4:

Kampala - Queen Elizabeth National Park area

Distance travelled +/- 400 Km

Approx. driving time: 8 Hours

From Kampala, we travel west towards Queen Elizabeth National Park, across the Equator again, through fertile green terraced hillsides, lush banana plantations, steep mountains and tangled forests with herds of Ankole cattle with their incredible long curving horns roaming the roads and paddocks. We camp a short distance from the Queen Elizabeth National Park. Here you will have the opportunity to relax and unwind, take a walk in the surrounding areas and mingle with the local community.

Accommodation: *Simba Camp (or similar) - Twin share accommodation with en-suite facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Nil*

Day 5:

Queen Elizabeth National Park area

This morning we enter the Queen Elizabeth National Park and take in the magnificent views of the mountains that separate Uganda from central Africa as well as Lake Edwards and Lake George. Queen Elizabeth National Park has over 500 species of bird and 100 species of mammals making it one of the most biodiverse national parks in the world and if we are lucky, we may get to spot these animals en-route to Kyambura Gorge for the trek to see the chimpanzees. Unlike their larger cousins the mountain gorilla, chimps live mostly in the trees and so our viewing is usually peering high into the forest canopy. However, the experience of seeing man's closest relative in the wild is a memorable one.

Chimpanzee Trek permits are issued by the wildlife authority in groups of up to 8 people per group. Depending on our group size, we may trek on the afternoon of Day 4, morning of day 5 and afternoon of Day 5 or morning of day 6.

Accommodation: *Simba Camp (or similar) - Twin share accommodation with en-suite facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Nil*

Day 6:

Queen Elizabeth National Park - Lake Bunyonyi

Distance travelled +/- 240 Km

Approx. driving time: 5 Hours

We leave the picturesque hills of the national park and make our way to the lush and stunning 'Lake Bunyonyi' ('Place of many little birds'). This lake is 27 km long, 7km wide and at an elevation of 1950 metres above sea level is surrounded by undulating hills between 2200m to 2478m high. With a depth of nearly 900m in parts this lake is the second deepest lake in Africa (the deepest being Lake Tanganyika in Tanzania). With twenty-nine islands that can be visited by local boats, the lake is a great place to unwind, relax and explore on the days that we don't trek to see the mountain gorillas.

14 DAY

GAME PARKS & GORILLAS (23GEN14A)

Small Group Adventure Accommodated Tour Dossier

Over the next two days the group will be split with one group trekking to the mountain gorillas while the others relax at Lake Bunyonyi to enjoy the many activities on offer.

Lake Bunyonyi

There are many activities to do here such as hiring canoes to visit some of the lake's islands, visit local tribes and villages, visit the local orphanage, bird watching and nature walks. Alternatively, just relax around camp, catch up on your travel diary or postcards to home.

Mountain Gorilla Trekking

This region of Africa is home to the world's remaining 700 mountain gorillas, many of which inhabit the Bwindi Impenetrable National Park. [We may travel into neighbouring Rwanda to trek for the gorillas on rare occasion].

On the day of our trek, we gather in the early morning to meet our local guide and tracker. Walking in small groups we trek into the thick rainforest. The trek can be demanding at times with uneven terrain and hilly rainforest but the privilege of spending time with a family of these gentle primates makes the effort well worthwhile. To many people the day's trek and time with the gorillas remains their most exciting wildlife encounter in Africa.

The usual procedure, once we have located the gorilla 'family', is to squat or sit down and simply observe them for around an hour - the time set by the Uganda Wildlife Authority (the national body charged with controlling and maintaining the gorillas in Uganda). Gorillas are sociable creatures, living in groups between 12 and 20 individuals, usually led by an 'alpha male' (the 'silverback' - so called because of the silver hair on his back which grows once the male gorilla attains maturity). Most people find that the gorillas are remarkably human-like at close quarters - particularly in the social interaction between family members and in 'play' activity in which the young engage. Photography is permitted (although not with a flash and there are restrictions for those who wish to use a video camera.)

Your permit allows you one trek and gorilla viewing (time limited to one hour). However, because the authorities maintain strict limits on the number of visitors allowed to view the gorillas each day, we may spend several days in the area while all passengers in our group complete the trek and viewing.

NB: Depending on the availability of the gorilla permits the tour itinerary may vary in day to day running order which is based on the brochure itinerary. From time to time, we may have to trek on different days. If at any chance our Gorilla trek should be in another neighbouring country, e.g., Rwanda (instead of Uganda) this may entail extra visa fees although we shall endeavour to advise you before departure of any significant changes to the tour itinerary. Please take the above itinerary as a guideline only.
This applies to Day 7 - 9 of this tour.

Leaving Kampala, we drive the short distance to the town of Jinja on the banks of Lake Victoria and the Nile. It was in 1862 that the British explorer John Hanning Speke recognised Lake Victoria as the 'source of the Nile' settling a long running dispute about Africa's (and the world's) longest river. From this modest monument the Nile begins its 4132-mile course through Uganda, Sudan and eventually Egypt to the Mediterranean Sea.

Our camp is situated on the grassy banks overlooking the Nile River. It is here that we usually have the option to try river rafting - an exciting day out for those enjoying the thrill of 'white-water'. There is also the opportunity to make some difference to local children at a local school project: 'Softpower' is a locally run voluntary programme aimed at building and improving schools in the Jinja area to which your contribution of a few hours of painting or plastering is always most welcome. Other activities at Jinja include mountain biking, quad biking, village walks and even cruises!

Tour Information

TOUR STYLE:

Small Group Adventure Accommodated Tour (Group Size: Maximum 16)

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in assisting with the various day to day duties, such as shopping, cooking, and keeping the Acacia vehicle tidy (usually on a rota basis). But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

ADVENTURE PASS: Every adventure tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS:

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

EXTENDING YOUR TOUR: This tour can be extended to travel to Dar es Salaam, Livingstone, Cape Town and Pretoria. Ask your agent for more information.

GORILLA &

CHIMPANZEE TREK: Depending on the availability of the chimpanzee and gorilla permits the tour itinerary may vary in day to day running order which is based on the brochure itinerary. From time to time, we may have to trek on different days. If at any chance our Gorilla trek should be in another neighbouring country, e.g., Rwanda (instead of Uganda) this may entail extra visa fees although we shall endeavour to advise you before departure of any significant changes to the tour itinerary. Please take the above itinerary as a guideline only. **This applies to day 7 - 9 of this tour.**

ACCOMMODATION: Twin share accommodation with facilities as indicated. In most cases rooms are en-suite, but from time to time some rooms may be shared facilities where en-suite is indicated. We mainly use accommodation, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar, or swimming pool.

TRANSPORT: 24-seater, self-contained, custom-built vehicle with on-board tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers, 4x4 safari vehicle. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

Tour Preparation

BOOKING INFORMATION

When you make a confirmed booking, you will be sent the tour booking documents and a pre-departure booklet with detailed information to help you prepare for your trip. Once you have paid in full you will receive a Travel Voucher giving details of your joining hotel. Nairobi (NBO) is well served by a number of airlines and your travel agent can advise on flights to the start of the tour.

GORILLA AND CHIMPANZEE PERMITS

The Uganda Wildlife Authority imposes strict regulations regarding the gorilla trekking permits. One of these is that permits must be booked and paid in advance. In order for us to do this we must collect your permit money, in addition to your normal deposit, at the time of booking. Like your deposit, the permit money is not refundable if you cancel your tour. The Gorilla and Chimpanzee permit currently (2023) cost US\$700.00 per person. Please ask your agent or Acacia for the equivalent amount in your own currency. Please note: To ensure we obtain gorilla permits we may have to adjust the itinerary slightly from the published route. Any such adjustment will be explained to you where-ever possible before you leave for Africa. Our focus at all times will be to ensure everyone has the opportunity to do the treks and enjoy the very Africa experience.

PRE TOUR ACCOMMODATION

This tour departs Nairobi early on Day 1; we strongly recommend therefore that you plan to arrive at least the day before departure to overcome any jetlag and to acclimatise to Africa. We would be happy to book pre-tour accommodation for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please book early to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings.

If time allows, we also suggest planning a night or two extra (after your tour) to make the most of this part of Africa. Your Tour Leader can help with post tour accommodation if required and there are a variety of activities and excursions in the Nairobi Area that you can arrange locally. Alternatively, if you prefer, you can pre book your accommodation at the time of booking your tour.

LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft backpack or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

NB: KENYA PLASTIC BAG BAN - All forms of plastic carrier bags are banned in Kenya; including 'Airport Duty Free' plastic bags, airport security plastic bags for liquids, shopping bags, storage bags, zip-lock plastic bags. The strict ban applies to everyone and it is mandatory that you leave any form of plastic bag/s at your country of origin.

NB: UGANDA PLASTIC BAG BAN - Uganda has a ban on single-use plastic. Prohibited items include single-use plastic carrier bags, shopping bags/packing plastic carrier bags. Ziplock bags and storage compartment bags (e.g., toiletries) will be permitted as they are expected to remain in possession of traveller. We do however suggest that you leave these items behind in your country of origin.

VACCINATIONS/HEALTH

The table below indicates the vaccinations suggested for travel on this tour but **should be treated as a guide only**. Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2008** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

Currencies are as follows: Kenya - Kenya Shilling; Uganda - Shilling.

ATM machines are found in Nairobi and Kampala. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
