Intended Itinerary

It is our intention to adhere to the route described below, but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary and/or accommodation at short notice. Driving times are approximate and may vary due to bad weather, traffic, border crossings, police check-points, road works or road conditions and do not include any stops en-route. **Please therefore treat the following as a guide only.** This is a participation tour. Our accommodated tour option travels together with the camping counterpart. Your tour may form part of a longer tour, which some of your fellow travellers may have joined already or continue afterwards.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 18 Days
Countries visited: Uganda and Kenya

Day 1: Nairobi, Kenya - Lake Nakuru National Park

Distance travelled: +/- 190 km

Approx. driving time: 4 - 5 Hours (excluding stops)

Kenya is East Africa's most popular safari destination and has a long tradition of tourism and of welcoming visitors. Nairobi, the Kenyan capital, has seen rapid growth in recent years but still has a comparatively small city centre, interesting city markets, numerous craft shops, book shops and plenty of cafes and restaurants. We recommend you arrive at least one day before the tour departure in order to relax, check out the city and overcome any jetlag.

We depart Nairobi early and descend into the 'Great Rift Valley', an enormous cleft in the Earth's surface stretching from the Red Sea to Madagascar but with particularly marked escarpments here in Kenya. We stop at a lookout point to take in the magnificent views. Our overnight stop is just outside Lake Nakuru National Park, a relatively small park (by African standards) however prolific in wildlife, situated on the Great Rift Valley floor. The shallow soda lake attracts a huge variety of birdlife - especially flamingos, which may gather in such numbers that (when viewed from above) they form a strikingly pink 'fringe' around the lakeshore. However, Lake Nakuru is not simply a bird sanctuary, it is also home to buffalo, lion, rhino (black and white), leopard, warthog, baboon, antelope, and a variety of smaller animals. A delightful introduction to East Africa's wildlife diversity that we search for in an afternoon game drive making use of local guides and smaller safari vehicles for a more intimate experience.

Day 2: Lake Nakuru - Eldoret

Distance travelled: +/- 150 km

Approx. driving time: 3 - 4 Hours (excluding stops)

From Nakuru we continue northwest and climb in altitude towards the town of Eldoret, en-route to the Ugandan frontier. We cross from the Southern Hemisphere to the Northern Hemisphere today over the Equator, enjoying some time here learning a little about its significance and taking photos before moving onwards to Eldoret. The name 'Eldoret' is based on the Maasai word 'Eldore' meaning stony river, due to the stony bed of the nearby Sosiani River. The town is the 5th largest in Kenya and is the fastest growing with a population of approx. 194,000. We camp outside of town in a unique campsite created on hilly forest tribal land,

Approx. driving time: 9 - 10 Hours (excluding stops / border crossing)

We cross into Uganda, Winston Churchill's 'Pearl of Africa', a country with beautiful natural scenery and a rich mosaic of tribes and cultures - and friendly people. Our first night we camp at the capital Kampala, an attractive hilly city, bustling with roadside traders, markets and busy matatu (mini-bus taxi) stands.

Day 4: Kampala - Chimpanzee Trekking Area

Distance travelled +/- 400 km

Approx. driving time: 9 - 10 hours (excluding stops)

From Kampala, we travel west crossing the Equator again, through fertile green terraced hillsides, lush banana plantations, steep mountains, and tangled forests. From the Acacia vehicle we should see herds of Ankole cattle with their incredible long curving horns roaming the roads and paddocks. Arriving at our accommodation you will have the opportunity to relax and unwind, take a walk in the surrounding areas, and mingle with the local community.

Day 5: Kalinzu Forest or Kyambura Gorge

Distance travelled +/- 50 km (each way)

Approx. driving time: 1 - 2 Hours (each way / excluding stops and trekking)

This morning, we trek to see the chimpanzees. Unlike their larger cousins, the mountain gorilla, chimps live mostly in the trees and so our viewing consists mainly of peering high into the forest canopy. Predictably, the experience of seeing man's closest relative in the wild is a memorable one. Chimpanzee trek permits are issued by the wildlife authority in small groups. Depending on our group size, this means that we may trek on the afternoon of Day 4, morning of Day 5 and afternoon of Day 5 or morning of Day 6.

Day 6: Chimpanzee Trekking Area - Lake Bunyonyi

Distance travelled +/- 200 km

Approx. driving time: 5 - 6 Hours (excluding stops)

We leave the picturesque hills and make our way to the lush and stunning Lake Bunyonyi ('Place of many little birds'). This lake is 27km long, 7km wide and at an elevation of 1950 metres above sea level, it is surrounded by undulating hills between 2200m to 2478m high. With a depth of nearly 900m in parts, this lake is the second deepest lake in Africa (the deepest being Lake Tanganyika in Tanzania). With twenty-nine islands that can be visited by local boats, the lake is a great place to unwind, relax and explore on the days that we don't trek to see the mountain gorillas. Over the next two days the group will be split, with one group trekking to the mountain gorillas while the others stay at Lake Bunyonyi to enjoy the many activities on offer.

Lake Bunyonyi

There are many activities to do here such as hiring canoes to visit some of the lakes' islands, visit local tribes and villages, visiting the local orphanage, as well as bird watching and nature walks. Alternatively, just relax around camp, catch up on your travel diary or postcards to home, or sorting through your photos of your trip so far.

Mountain Gorilla Trekking

This region of Africa is home to the world's remaining 700 free-roaming mountain gorillas, many of which inhabit the Bwindi Impenetrable National Park.

On the day of your trek, we gather in the early morning to meet our local guide and tracker. Walking in small groups, we trek into the thick rainforest. The trek can be demanding at times - with uneven terrain and hilly rainforest, but the privilege of spending time with a family of these gentle primates makes the effort well worthwhile. To many people the day's trek and time with the gorillas remains their most exciting wildlife encounter in Africa. The usual procedure, once we have located the gorilla 'family', is to squat or sit down and simply observe them for around an hour - the time set by the Uganda Wildlife Authority (the national body charged with controlling and maintaining the gorillas in Uganda). Gorillas are sociable creatures, living in groups between 12 and 20 individuals, usually led by an alpha male (the 'silverback' - so called because of the silver hair on his back which grows once the male gorillas reach maturity). Most people find that the gorillas are remarkably human-like at close quarters - particularly in the social interaction between family members and in 'play' activity in which the young engage. Photography is permitted (although not with a flash and there are restrictions for those who wish to use a video camera).

Your permit allows you one trek and gorilla viewing (time limited to one hour). However, because the authorities maintain strict limits on the number of visitors allowed to view the gorillas each day, we may spend several days in the area while all passengers in our group complete the trek and viewing.

NB: Depending on the availability of the gorilla permits the tour itinerary may vary in day to day running order in relation to the brochure itinerary. From time to time, we may have to trek on different days. Please take the itinerary as a guideline only. **This applies to day 6 - 8 of this tour.**

Day 10: Kampala - Jinja

Distance travelled: +/- 80 km

Approx. driving time: 3 - 4 Hours (excluding stops)

Leaving Kampala, we drive the short distance to the town of Jinja on the banks of Lake Victoria and the Nile. It was in 1862 that the British explorer John Hanning Speke recognised Lake Victoria as the 'source of the Nile' settling a long running dispute about Africa's (and the world's) longest river. From his modest monument on the banks, the Nile begins its 4132-mile course through Uganda, Sudan and eventually Egypt to the Mediterranean Sea. Our camp is situated on the grassy banks overlooking the Nile River. It is here that we usually have the option to try river rafting - an exciting day out for those enjoying the thrill of 'white-water'. There is also the opportunity to make some difference to local children at a local school project: 'Softpower' is a locally run volunteer programme aimed at building and improving schools in the Jinja area to which your contribution of a few hours of painting or plastering is always most welcome. Other activities at Jinja include mountain biking, quad biking, village walks and even Nile cruises!

Day 17: Maasai Mara Reserve

Approx. driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' - lion, rhino, elephant, buffalo, and leopard. The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days.

The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra, and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals, and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit, we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo, and leopard) and an array of other wildlife. We stop for a lunch before returning to our tented camp for the evening.

Tour Information

TOUR STYLE:

Adventure Tour

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking, and keeping the Acacia vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

We would be happy to book pre-tour accommodation and transfers for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please *book early* to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

NB: KENYA PLASTIC BAG BAN - All forms of plastic carrier bags are banned in Kenya; including 'Airport Duty Free' plastic bags, airport security plastic bags for liquids, shopping bags, storage bags, zip-lock plastic bags. Ziplock bags and storage compartment bags (e.g., toiletries) will be permitted as they are expected to remain in possession of traveller. We do however suggest that you leave these items behind in your country of origin.

INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact.

We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <https://acacia-africa.com/travel-info> for more details. In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2008** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

Currencies are as follows: Kenya - Kenya Schilling; Uganda - Uganda Schilling.

ATM machines are found in Nairobi and Kampala. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

OPTIONAL ACTIVITIES AND EXCURSIONS

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
