Duration: 19 Days
Countries visited: South Africa, Namibia, Botswana and Zambia

Day 1:

Cape Town – Western Cape, South Africa

Distance travelled: +/- 260 Km
Approx driving time: 4.5 Hours

Our overland safari begins in cosmopolitan Cape Town, overlooked by Table Mountain and bordered by the Atlantic Ocean, one of the world's most picturesque cities. Before we leave the city we take a tour of the Cape Flats, at one of Cape Town's intriguing townships, visiting some of the local people and community projects in the area. The townships illustrate both South Africa's tumultuous history and its hope for the future which makes for a fascinating visit. From here we head north through South Africa's Western Cape and through the fruit growing regions of Citrusdal. Our accommodation is located near the Olifants River overlooking the stunning Cederberg Mountains. After setting up there is an option to sample some of the local wines of the region, properly meet the rest of the group and enjoy our first night under the African sky.

Accommodation: *Highlanders Camp - Twin share accommodation with en-suite facilities*
Meals included: *Lunch included on township tour, Dinner*
WIFI: *No*
Optional Activities: *Wine Tasting US\$10*

Day 2:

Western Cape – Gariep (Orange) River

Approx driving time: 8 Hours

Continuing north, the landscape gradually turns drier and rockier as we head towards the Namibian border crossing at Vioolsdrift. We set up camp tonight on the Namibian side of the Gariep (Orange) River, a stunning backdrop. Our camp provides you with the necessary comforts like hot showers,

flush toilets, grassy campsites, swimming pool, bar facilities and the Orange River is safe for swimming! You will be briefed on an optional Orange River canoe safari for later this afternoon or the following morning. The camp by night is showered with stars of the Richtersveld – a truly peaceful and tranquil experience.

Accommodation: *Felix unite – Twin share accommodation with en-suite facilities*
Meals included: *Breakfast, Lunch, Dinner*

Day 3:

Gariep (Orange) River – Fish River Canyon, Namibia

One of the natural wonders of Africa, the canyon is some 500m deep and over 160km long and often referred to as the second largest canyon in the world. There are plenty of opportunities for keen photographers this afternoon especially at the canyons infamous sharp river bend known as 'Hells Corner'. A great opportunity to find a quiet spot and marvel at the sheer beauty of the Fish River Canyon.

The Namib-Naukluft National Park contains part of the Namib Desert and the Naukluft mountain range. With an overall area of 49,768 km² it's larger than Switzerland and is the second largest game park in Africa and the fourth largest in the world. Here we set up for the evening under the starry Namibian sky.

Day 5:

Namib Naukluft National Park – Sossus On Foot Camp

Distance travelled: +/- 240 Km

Approx driving time: 5 Hours

This morning we enter the National Park to trek to the top of famous Dune 45. A spectacular sight but be warned, it's not an easy feat to reach the top as some dunes are over 300m high! After a well-deserved breakfast we continue deeper into the park for a short shuttle ride and nature walk to 'Dead Vlei', amidst the giant sand dunes – a real glimpse of Namibia's unspoilt natural environment. Bring your camera – the shifting colours of the desert as the sun climbs throughout the mid/late morning offer some brilliant photographic opportunities. Departing from the dunes, we stop off at the smaller Sesriem Canyon where the multiple layers of rock and pebbles make for an interesting insight to what lies beneath the mountains of sand. Thereafter we make our way via Namibia's smallest town, Solitaire to our camp for the night.

and stopping for a photo opportunity en route. Swakopmund makes for a refreshing change with cooler Atlantic sea air, a taste of civilization and a swathe of exciting things to do and places to explore. Be daring and try some desert-based adventure activities – quad biking, sand boarding, skydiving (weather permitting) and more! For those not seeking adventure enjoy what the town has to offer: shopping, restaurants, museums, aquarium, art galleries – or else simply walk along the promenade admiring the ocean, the quaint German-style architecture and indulge in the town's café culture.

N.B: For the sake of practicality, meals in Swakopmund are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back for meal times. Approx driving time: 3 Hours

Leaving the coast we turn inland to the beautiful Damaraland region and explore Spitzkoppe where we admire ancient bushman paintings still visible on peculiar rock formations. Keep an eye on the ever-changing colour of the rock, especially during sunrise and sunset, when they acquire intense red shades.

Desert Tracker (19DTR19A) – Tour Dossier

The most impressive rock painting is “Bushman Paradise” and the natural rock bridge is a favourite viewpoint.

The Spitzkoppe Rest camp lies at the base of the mountain and is owned and maintained by the local community. All proceeds from our visit go directly to this community.

Please note that some group members may be starting their tour on this day.

Accommodation: *Spitzkoppe Community Camp - Twin shared canvas tents with mattress, sleeping bag and pillow provided with basic facilities*

Meals included: *Breakfast, Lunch, Dinner*

Day 9:

We spend two nights here, usually near a floodlit waterhole. Observers frequently see a range of night visitors including elephant, giraffe, zebra, even lion and hyena, making it one of the most memorable wildlife encounters in Namibia - a truly African experience and a highlight of any trip to Namibia. We have a short afternoon game drive on entering the park and heading to the accommodation.

Despite the dry nature of the terrain, the park sustains a wide variety of bird species including the large Kori Bustard, Secretary Bird and many other seed & insect eaters, as well as birds of prey.

After a full day game driving we return, or onto the next accommodation and enjoy our last evening around the

floodlit watering holes, observing natural animal behaviour at its best.

Day 11:

Etosha – Windhoek

Distance travelled: +/- 420 Km

Approx driving time: 8.5 Hours

Heading south, we arrive in Windhoek, the capital of Namibia, which is located in a basin between the Khomas Highland, Auas and Eros Mountains. Windhoek (Windy-corner in English) is home to approximately two hundred thousand people, an extremely small capital by global standards. The city centre is characterized by a proliferation of German style buildings, a lasting reminder of Namibia’s early colonial history and atmosphere. Take the opportunity to enjoy a night out at one of the local restaurants.

Please note that some group members may be ending their tour in Windhoek.

Accommodation: *Urban Camp - Pre-erected tents with shared facilities*

Meals included: *Breakfast, Lunch*

WIFI: *Yes*

Optional Activities: *Nil*

Day 12:

Windhoek – Ghanzi, Botswana

Distance travelled: +/- 530 Km

Approx driving time: 10 Hours

Leaving Windhoek, we travel east into the Kalahari region and cross into Botswana. Our first stop is at the town of Ghanzi. Here, in this midst of (seemingly) barren terrain we meet the San/Bushman and have a guided bush walk for a cultural experience and insight into these ancient people’s way of life. We learn how they work with nature and manage the renewable resources found in their natural surroundings without damaging the fragile balance found in this ecosystem. Something we can all learn from. Your support of this ecotourism venture gives the San/Bushman a sustainable income and helps keep their culture alive.

Around the campfire at night, you can experience the ancient dance rituals of the San/Bushman. On special occasions this could be a healing or trance dance, which can continue all night, and is an intense spiritual experience for both participants and visitors alike.

Accommodation: Ghanzi Trailblazers - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Traditional Dancing US\$15

Day 13:

Ghanzi – Maun

Distance travelled: +/- 280 Km

Approx driving time: 5.5 Hours

Maun is the fifth largest town in Botswana and is an eclectic mix of modern buildings and native dwellings. Although officially still a village, Maun has developed rapidly from a rural frontier town to a community that has distributed along the wide banks of the Thamalakane River where red lechwe antelope can still be seen grazing next to local donkeys, goats and cattle. Since Maun's founding in 1915 it has had a reputation as a hard-living 'Wild West' town helping the local cattle ranching and hunting operations. Maun today is a thriving tourist town famous for its donkey population and to a lesser extent, goats. These animals can be seen standing around town as they are used by local traders and farmers alike to transport their wares to sell on the curb side.

NB: If time allows, we have the opportunity to take an optional scenic flight over the Okavango Delta, either this afternoon or on day 15 on our return from the Delta excursion

Accommodation: Delta Rain's Sitatunga Camp - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: Yes

Optional Activities: Okavango Delta Scenic Flight per 5-seater plane – 45 min flight time from US\$650, Maun Horse Riding (2 Hours) US\$50

Day 14:

Maun - Okavango Delta

Distance travelled: +/- 50 Km

Approx driving time: transfer 2 hours

Leaving Maun we begin our excursion into the Okavango Delta by an open 4x4 truck to the mokoro station. Here we will be introduced to the local Tswana Polers that will be guiding us on this expedition. We travel by mokoro (dugout canoe) amongst the giant lily pads, tall grasses and labyrinthine channels in search of resident wildlife and a variety of birds, to our tented camp from which we can explore the area on a walking safari. The Okavango is a natural wetland spreading over some 1,600,000ha of northern Botswana that offers a perfect habitat for the many species of wildlife that roam here freely. The Okavango River rises in Angola (farther to the north) and flows south dividing repeatedly after crossing into Botswana to form an intricate

floodplain of channels and which spreads out into a broad flat inland delta – the only one of its kind in the world. We enjoy the afternoon wilderness experience and overnight listening to the sounds of the African night - an unforgettable experience!

Accommodation: Elephant Camp – Twin share pre-erected tents with en-suite facilities (basic-style bucket shower & toilet)

Meals included: Breakfast, Lunch, Dinner

Day 15:

Okavango Delta - Maun

Distance travelled: +/- 50 Km

Approx driving time: transfer 2 hours

This morning we take an easy paced mokoro ride out of the Okavango Delta back to the polers station from where we will drive back to Maun, our overnight stop. We aim to get back to Maun around lunch time to allow for the opportunity to enjoy an optional scenic flight over this spectacular UNESCO world heritage site. Alternatively, the afternoon can be spent at leisure at the pool.

Accommodation: Delta Rain's Sitatunga Camp - Twin share accommodation with en-suite facilities

Day 16:

Maun – Elephant Sands, Nata

Distance travelled: +/- 380 Km

Approx driving time: 5 Hours

Today, we make our way towards Nata travelling through a wide-open wildlife corridor between the Nxai and the Makgadikgadi Pans. We stop off to see one of Africa's most iconic trees - the Baobab along the way and arrive at the Elephant Sands Lodge during the late afternoon. The accommodation has no fences so all wildlife can roam freely from one waterhole to another and one can expect to see a variety of antelope and other wildlife during your stay at Elephant Sands. It is one of the most unique and amazing experiences to watch wild elephants and their behaviour at such close proximity.

Accommodation: Elephant Sands Lodge - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: Yes

Optional Activities: Morning Bush Walk US\$ 20, Evening Game Drive US\$25

Desert Tracker (19DTR19A) – Tour Dossier

Day 17:

Elephant Sands, Nata - Kasane

Distance travelled: +/- 270 Km

Approx driving time: 5 Hours

We make our way to the northern corner of Botswana to Kasane, the gateway to Chobe National Park. By size, it is the third largest park in the country and is the most diverse; home to elephant, lion, buffalo, hippo and abundant birdlife, including the famous African fish eagle. We take a 'Fish Eagle' cruise on the Chobe River – a great opportunity to see hippo and perhaps elephant or buffalo coming to the river to bathe and drink.

The Chobe River is a major watering spot for large breeding herds of elephants, as well as families of giraffe, sable and cape buffalo. The flood plains are the only place in Botswana where the puku antelope can be seen. Birding is also excellent here. When in flood spoonbills, ibis, various species of stork and other waterfowl flock to the area.

Accommodation: *Thebe River Lodge - Twin share accommodation with en-suite facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Nil*

Day 18:

Kasane – Livingstone, Victoria Falls, Zambia

Distance travelled +/- 80 Km

Approx driving time: 1.5 Hours

This morning we head out to explore the Chobe National Park on an open vehicle game drive where we have the opportunity to spot not only elephant that are so prolific in the park, but also lion, and different antelope species. Moving on from Kasane we take the ferry across the confluence of the Chobe and Zambezi Rivers into Zambia. Zambia, formerly known as Northern Rhodesia took its name from the Zambezi River at independence in 1964. The Zambezi River is the fourth longest in Africa (after the Nile, Congo and Niger) and the largest flowing into the Indian Ocean. Home to one of the world's largest waterfalls, we visit Victoria Falls and try to take in the immensity of one of nature's Wonders of the World. At various times of year, the spray from the Falls can be seen from up to 20 or 30 kilometres away, hence the local name 'Mosi oa Tunya' – the 'Smoke that Thunders'.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites and accommodation we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
