Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour. Our accommodated tour option travels together with the camping counterpart.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 47 Days

Countries visited: Kenya, Tanzania, Malawi, Zambia, Zimbabwe, South Africa, Swaziland (Eswatini) & Lesotho

Day 1:

Nairobi – Maasai Mara Reserve, Kenya

Distance travelled: +/- 300 Km

Approx driving time: 5 hours

We depart the city early and make our way across the Great Rift Valley to the Maasai Mara National Reserve, enjoying views of the vast vista en route. We travel in small specialized safari vehicles that enable us to have a more intimate view of wildlife. We spend two nights camping on the edge of the Reserve with time to explore the park on morning and afternoon game drives.

Accommodation: Chronicle Tented Camp - Pre-erected tents with en-suite basic facilities

Meals included: Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 2:

Maasai Mara Reserve, Kenya

Approx driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' – lion, rhino, elephant, buffalo and leopard.

The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days. The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo and leopard) and an array of other wildlife.

We stop for a lunch before returning to our tented camp for the evening.

Accommodation: Chronicle Tented Camp - Pre-erected tents with en-suite basic facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 3:

Maasai Mara Reserve, Kenya - Nairobi

Distance travelled: +/- 300 Km

Approx driving time: 5 Hours

From the Mara we make our way back across the Great Rift Valley to Nairobi, where we overnight.

Accommodation: Karen Camp - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: Yes

Optional Activities: Nil

Day 4:

Nairobi – Arusha, Tanzania

Distance travelled: +/- 270 Km

Approx driving time: 5 Hours

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles and people, all nestling in the shadow of the brooding Mt Meru (4556m). After exploring the curio markets, we head to our camp just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three-day excursion to the Serengeti National Park and the Ngorongoro Crater. This afternoon, if time allows, we enjoy a walk to one of the local Maasai villages to enjoy an insight into everyday life and traditions of this colourful culture.

Accommodation: Meserani Snake Park – Basic Twin share accommodation with shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Camel Ride US\$5.

Day 5:

Arusha - Serengeti National Park

Distance Travelled: +/- 250 Km

Approx driving time: Full day including game drives

This morning we transfer to smaller, more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We enter the park and drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Maasai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* - 'the

place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Serengeti National Park: Bush Camp - Camping in twin share tents with very rustic/basic shared facilities (no shower, pit latrine), mattress, sleeping bag and pillow provided

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Day 6:

Ngorongoro Crater

We drive out of the plains, game driving en route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Accommodation: Simba Camp - Twin shared canvas tents with mattress, sleeping bag and pillow provided with basic facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Nil

Day 7:

Ngorongoro Crater - Arusha, Meserani Snake Park

Distance Travelled: +/- 250 Km

Approx driving time: Full days including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All of the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park.

Note: We may enjoy the Maasai walk on this day if we were unable to make this on day 4.

Accommodation: Meserani Snake Park – Basic Twin share accommodation with shared facilities

Meals included: Breakfast, Lunch, Dinner

WiFi: No

Optional Activities: Nil

Day 8:

Arusha – Bagamoyo

Distance travelled: +/-560 Km

Approx driving time: 11 Hours

This morning we wake early and head south via Moshi to Bagamoyo. If the weather is clear we may be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our camp for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Accommodation: Fire Fly Camp - Twin share accommodation with shared facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 9:

Bagamoyo – Dar es Salaam

Distance travelled: +/- 60 Km

Approx driving time: 2 - 3 Hours

Leaving Bagamoyo we make our way south to Dar es Salaam. 'Dar' is Tanzania's main port and is a hub of commerce and industry - a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast, accessing one of the most important sea routes in the world. To a majority of travellers, this city is the port of entry to the more exotic island of Zanzibar and other archipelago islands. We set up camp on the beach just outside of the city, take in the balmy Indian Ocean sea breeze, and prepare for our trip to Zanzibar.

Accommodation: Kipepeo Beach Resort - Twin share accommodation with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: Yes

Optional Activities: Nil

Day 10:

Dar es Salaam - Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches; romantic winding cobbled alleys and lush tropical forests. You will find all of these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade

here is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the truck on the mainland, basic tourist class accommodation (B&B) is included but for the sake of flexibility other meals are left for your own account. Typically, we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Please note that some group members may be starting their tour in Dar es Salaam. Both old and new are invited to join in any group outings.

Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of

The views from here are simply magnificent and well worth the effort of hiking to. For those staying at the campsite, there is a local craft market where you can enjoy learning the ins and outs of woodcarving your own souvenir, or learn to play the game of Bao, haggle for some souvenirs or enjoy a relaxing day admiring the shimmering waters from the beach.

The hills are also home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. Historically, the 'Cape' coastline has been recognised by sailors as extremely hazardous, notorious for winter storms with huge rogue waves reaching a spectacular height of 30 metres. Therefore, it's no surprise that the coastline is littered with lonely ship wrecks. We visit the gigantic lighthouse built as early as 1848 before enjoying a lunch break. The museum is the axis around which the original fishing village developed. We leave Hermanus before lunch and follow the rough coastal route taking a leisurely drive through small fishing towns. We visit a winery en route to Cape Town where we enjoy wine tasting. The tour draws to an end towards late afternoon at the foot of Table Mountain in the popular mother city of South Africa, Cape Town.

TOUR STYLE:

Accommodated Overland Tour

This is a participation tour and your help will be needed in assisting with the various day to day duties, such as shopping, cooking and keeping the truck tidy (usually on a rota basis). But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find

Kenya to South Africa (19KSA47A) – Tour Dossier

that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. “African time” can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT’S INCLUDED: All tour highlights, twin share accommodation (46 nights), fully equipped safari vehicles, cooking equipment, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT’S NOT INCLUDED: Adventure Pass Activities and Excursions, visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag, meals as indicated and items of personal nature. This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS: These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION: Twin share accommodation with facilities (46 nights) unless specified otherwise. Some camps may have a bar or swimming pool. GAME PARK VISITS: To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a ‘grassroots’ level to local economies from which local people benefit.
