Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour and travels together with the camping counterpart.

Your tour starts in **Pretoria**, South Africa's administrative capital. Close enough to Johannesburg to almost be considered a suburb, Pretoria is known as the Jacaranda City, with purple blossoms covering the streets in October each year. Pretoria boasts many sights of interest – such as the 10m bronze statue of Nelson Mandela standing beside the historic Union Buildings. Various cultural sites, shops, bars and restaurants are within an easy walk of our recommended hotel (and tour start point).

How do I get to Pretoria? Simple. Book a transfer before you leave home to meet you at Johannesburg's OR Tambo International and take you direct to the hotel in Pretoria. Journey time is about 45 minutes depending on traffic. We particularly recommend a pre-booked transfer if you are arriving late. Alternatively, there is a regular low-cost train service called the Gautrain which runs from OR Tambo International to both Johannesburg and Pretoria. If the train interests you, email or ask Acacia for more information.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 23 Days
Countries visited: South Africa, Zimbabwe, Zambia, Malawi and Tanzania

Day 1:

Pretoria – Hazyview – Kruger National Park

Distance travelled: +/- 390 Km
Approx driving time: 7 Hours

From Pretoria - South Africa's administrative city - we travel via the eastern region of Mpumalanga towards South Africa's famed national park – Kruger. Fences between the National Park and surrounding private reserves were removed several years ago to form the Greater Kruger, an area of some 24000 sq km. Wildlife is free to roam the whole enormous area and it has become incredibly diverse in both fauna and flora. From the dwarf mongoose to the famed 'Big Five', almost every major African mammal (148 species) is present. There is also prolific birdlife (over 505 species) and over 330 varieties of trees. This evening we enjoy Shangaan tribal dancing and singing around an open fire.

We game drive in the morning and afternoon in search for the abundance of wildlife including the 'Big 5' – Rhino, elephant, buffalo, leopard and lion together with a high density of other mammals and diverse bird species such as eagles, hornbills, vultures and bee eaters. We break during the middle of the day to enjoy the peace of the rest camp and wait out the hottest part of the day (when wildlife is usually less active). Day 5:

Matobo National Park

Approx driving time: Game Drive & Wilderness Walk - half day

The wind sculptured Matobo Hills are the site of numerous Bushman paintings and the area holds a special cultural and spiritual importance to the indigenous people here. The reserve has the largest concentration of Black and White Rhino in Africa and, provided conditions are right, our guides will lead us on foot to some of the more concealed places in search of these magnificent animals. The park also has the densest population of leopard and black eagle in the world and we keep our eyes peeled high and low for these creatures. The hills are also

home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. His grave can be visited at World's View - a place of continual debate owing to his involvement in claiming the land and its people for Queen & Country in colonial times.

Day 6:

Bulawayo – Livingstone, Zambia

Distance travelled: +/- 450 Km

Approx driving time: 10 Hours

Moving on from Bulawayo we continue north, and pass through the town of Victoria Falls, before crossing the border into Zambia, we travel the short distance to the Waterfront Resort a few kilometres from Livingstone. Situated on the banks of the Zambezi River, the Waterfront has a restaurant and small deck/terrace overlooking the river and is a base and booking point for the numerous optional activities available in the area. Staff will give a full briefing on what can be booked (typically including rafting, canoeing, bungee, abseiling, gorge swinging, horse riding, scenic flights and river cruises). Choose your activity at leisure, if time allows or else simply relax and enjoy the mighty Zambezi as it flows past your vantage point.

But whatever you do, don't leave Africa without seeing the Victoria Falls themselves! A visit to the Mosi Oa Tunya National Park is included in your tour – be sure not to miss it - at over a mile wide and some 100 metres deep the Falls at high water form the largest curtain of falling water in the world with spray visible from 20 kilometres away (hence the local name Mosi Oa Tunya, or 'Smoke that Thunders'). At low water the Zambezi dries so much that it is possible to walk out onto the riverbed itself!

N.B: For the sake of practicality, meals in Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to enjoy the optional activities without having to be back with the group at mealtimes. The Waterfront restaurant overlooks the Zambezi River and offers a selection of simple and reasonably priced meals and snacks throughout the day (allow US\$15-\$30 per meal). Relax and enjoy at your own leisure, or alternatively, take a taxi into Livingstone to try local fare.

Leaving Zambia behind, we cross the border to Malawi. Please be patient as the officials process the group's visas as this may take some time to complete. Lake Malawi formerly 'Lake Nyasa', covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawian people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day or with lanterns by night

The lake also has the highest number of endemic freshwater fish species of any in the world and attracts divers globally to seek out the many colourful Cichlid species. We arrive at camp on the lake's shore in the afternoon and have the rest of the day to swim and explore the beach and surrounding area.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guideline only.

'Dar' is Tanzania's hub of commerce and industry – a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast

accessing one of the most important sea routes on earth (with an interesting history too). To most travellers, this city is the port of call to the more exotic Zanzibar and the remaining of the Archipelago islands. We set up camp at our campsite on the beach just outside of the city centre, usually having time to browse curio markets - best known for ebony wood - and prepare for our trip to Zanzibar.

Day 19:

Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringe beaches; romantic winding cobbled alleys and lush tropical forests. You will find all these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for generations, plying the ocean in simple dhow sailboats relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not romantic. The island was also a staging post for slaves bought from the African interior being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 4 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, cloths, wooden carvings, visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the truck on the mainland, basic tourist class accommodation and breakfast on Zanzibar are included in the tour price, but for the sake of flexibility

Kruger, Vic Falls & Zanzibar (19KVZ23A) – Tour Dossier

other meals are left for your own account. Typically, we spend one night in Stone Town and the next three nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Kruger, Vic Falls & Zanzibar (19KVZ23A) – Tour Dossier

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <https://acacia-africa.com/travel-info> for more details.

In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-20 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Kruger, Vic Falls & Zanzibar (19KVZ23A) – Tour Dossier

- **Spending money** is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2008** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.
- **Currencies** are as follows: South Africa – Rand, Botswana – Pula, Zambia – Zambian Kwacha, Malawi – Malawi Kwacha, Tanzania – Tanzania schilling;
- **ATM machines** are found in Southern Africa, Lilongwe, Dar es Salaam and on Zanzibar. Please note they are sometimes unreliable (and therefore should not be relied upon).
- **Credit cards** can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.
