Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour.

Mozambique is an emerging destination in Africa and some of the facilities are not up to the same standard as in neighbouring countries. You may notice this at campsites, in shops, or in the 'on road' conditions as we travel. We believe that minor discomforts and occasional frustrations with officialdom are 'part of the experience' of travelling over-land in these newly developing areas of Africa. The enjoyment comes with the achievement of travel. Welcome to Africa and to our Ocean to Ocean!

Due to the nature of the travelling conditions we operate the last 14 days of this tour in a smaller 12 seat 4x4 Overland truck with a trailer for luggage.

Your tour ends in **Pretoria**, South Africa's administrative capital. Close enough to Johannesburg to almost be considered a suburb, Pretoria is known as the Jacaranda City, with purple blossoms covering the streets in October each year. Pretoria boasts many sights of interest – such as the 10m bronze statue of Nelson Mandela standing beside the historic Union Buildings. Various cultural sites, shops, bars and restaurants are within an easy walk of our recommended hotel (and tour end point).

How do I get to the airport from Pretoria? Simple. Book a transfer with Acacia to take you directly to Johannesburg's OR Tambo International. Journey time is about 45 minutes depending on traffic. We particularly recommend a pre-booked transfer if you are departing late. Alternatively, there is a regular low-cost train service called the Gautrain which runs from Pretoria to OR Tambo International and Johannesburg. If the train interests you, email or ask Acacia for more information.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 33 Days
Countries visited: South Africa, Namibia, Botswana, Zambia, Zimbabwe and Mozambique

Day 1:

Cape Town – Western Cape, South Africa

Distance travelled: +/- 260 Km
Approx driving time: 4.5 Hours

Our overland safari begins in cosmopolitan Cape Town, overlooked by Table Mountain and bordered by the Atlantic Ocean, one of the world's most picturesque cities. Before we leave the city, we take a tour of the Cape Flats, at one of Cape Town's intriguing townships, visiting some of the local people and community projects in the area. The townships illustrate both South Africa's tumultuous history and its hope for the future which makes for a fascinating visit. From here we head north through South Africa's

Western Cape and through the fruit growing regions of Citrusdal. Our campsite is located near the Olifants River overlooking the stunning Cederberg Mountains. After setting up camp there is an option to sample some of the local wines of the region, properly meet the rest of the group and enjoy our first night under the African sky.

You will be briefed on an optional Orange River canoe safari for later this afternoon or the following morning. The camp by night is showered with stars of the Richtersveld – a truly peaceful and tranquil experience.

One of the natural wonders of Africa, the canyon is some 500m deep and over 160km long and often referred to as the second largest canyon in the world. There are plenty of opportunities for keen photographers this afternoon especially at the canyons infamous sharp river bend known as 'Hells Corner'. After a well-deserved breakfast we continue deeper into the park for a short shuttle ride and nature walk to 'Dead Vlei', amidst the giant sand dunes – a real glimpse of Namibia's unspoilt natural environment. Bring your camera – the shifting colours of the desert as the sun climbs throughout the mid/late morning offer some brilliant photographic opportunities. Departing from the dunes, we stop off at the smaller Sesriem Canyon where the multiple layers of rock and pebbles make for an interesting insight to what lies beneath the mountains of sand. Thereafter we make our way via Namibia's smallest town, Solitaire to our camp for the night

Keep an eye on the ever-changing colour of the rock, especially during sunrise and sunset, when they acquire intense red shades. The most impressive rock painting is "Bushman Paradise" and the natural rock bridge is a favourite viewpoint.

Observers frequently see a range of night visitors including elephant, giraffe, zebra, even lion and hyena, making it one of the most memorable wildlife encounters in Namibia - a truly African experience and a highlight of any trip to Namibia. We have a short afternoon game drive on entering the park and heading to the camp.

Day 11:

Etosha to Windhoek

Distance travelled: +/- 420 Km

Approx driving time: 8.5 Hours

Heading south, we arrive in Windhoek, the capital of Namibia, which is located in a basin between the Khomas Highland, Auas and Eros Mountains. Windhoek (Windy-corner in English) is home to approximately two hundred thousand people, an extremely small capital by global standards. The city centre is characterized by a proliferation of German style buildings, a lasting reminder of Namibia's early colonial history and atmosphere. Take the opportunity to enjoy a night out at one of the local restaurants.

Please note that some group members may be ending their tour in Windhoek. Both old and new are invited to join for the group outing.

Accommodation: *Urban Camp - Camping in twin share tents with shared facilities*

Day 12:

Windhoek to Ghanzi, Botswana

Distance travelled: +/- 530 Km

Approx driving time: 10 Hours

Leaving Windhoek, we travel east into the Kalahari region and cross into Botswana. Our first stop is at the town of Ghanzi. Here, in this midst of (seemingly) barren terrain we meet the San Bushman and have a guided bush walk for a cultural experience and insight into these ancient people's way of life. We learn how they work with nature and manage the renewable resources found in their natural surroundings without damaging the fragile balance found in this ecosystem. Something we can all learn from. Your support of this ecotourism venture gives the San Bushman a sustainable income and helps keep their culture alive.

Around the campfire at night, you can experience the ancient dance rituals of the San Bushman. On special occasions this could be a healing or trance dance, which can continue all night, and is an intense spiritual experience for both participants and visitors alike.

Meals included: *Breakfast, Lunch, Dinner*

WiFi: *No*

Optional Activities: *Traditional Dancing US\$15*

Day 13:

Ghanzi to Maun

Distance travelled: +/- 280 Km

Approx driving time: 5.5 Hours

Maun is the fifth largest town in Botswana and is an eclectic mix of modern buildings and native dwellings. Although officially still a village, Maun has developed rapidly from a rural frontier town to a community that has distributed along the wide banks of the Thamalakane River where red lechwe antelope can still be seen grazing next to local donkeys, goats and cattle. Since Maun's founding in 1915 it has had a reputation as a hard-living 'Wild West' town helping the local cattle ranching and hunting operations. Maun today is a thriving tourist town famous for its donkey population and to a lesser extent, goats. These animals can be seen standing around town as they are used by local traders and farmers alike to transport their wares to sell on the curb side.

NB: If time allows, we have the opportunity to take an optional scenic flight over the Okavango Delta, either this afternoon or on day 15 on our return from the Delta excursion

Accommodation: *Delta Rain's Sitatunga Camp - Camping in twin share tents with shared facilities*

Day 14:

Maun - Okavango Delta

Distance travelled: +/- 50 Km

Approx driving time: transfer 2 hours

Leaving the campsite in Maun we begin our excursion into the Okavango Delta by an open 4x4 truck to the mokoro station. Here we will be introduced to the local Tswana Polers that will be guiding us on this expedition. We travel by mokoro (dugout canoe) amongst the giant lily pads, tall grasses and labyrinthine channels in search of resident wildlife and a variety of birds, to our tented camp from which we can explore the area on a walking safari. The Okavango is a natural wetland spreading over some 1,600,000ha of northern Botswana that offers a perfect habitat for the many species of wildlife that roam here freely. The Okavango River rises in Angola (farther to the north) and flows south dividing repeatedly after crossing into Botswana to form an intricate floodplain of channels and which spreads out into a broad flat inland delta – the only one of its kind in the world. We enjoy the afternoon

We aim to get back to camp around lunch time to allow for the opportunity to enjoy an optional scenic flight over this spectacular UNESCO world heritage site. Today, we make our way towards Nata travelling through a wide-open wildlife corridor between the Nxai and the Makgadikgadi Pans. We stop off to see one of Africa's most iconic trees - the Baobab along the way and arrive at the Elephant Sands Lodge during the late afternoon. The camp has no fences, so all wildlife can roam freely from one waterhole to another and one can expect to see a variety of antelope and other wildlife during your stay at Elephant Sands. It is one of the most unique and amazing experiences to watch wild elephants and their behaviour at such close proximity.

Accommodation: *Elephant Sands Lodge - Camping in twin share tents with shared facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Morning Bush Walk US\$20, Evening Game Drive US\$25*

Day 17:

Elephant Sands, Nata - Kasane

Distance travelled: +/- 270 Km

Approx driving time: 5 Hours

We make our way to the northern corner of Botswana to Kasane, the gateway to Chobe National Park. By size, it is the third largest park in the country and is the most diverse; home to elephant, lion, buffalo, hippo and abundant birdlife, including the famous African fish eagle. We take a 'Fish Eagle' cruise on the Chobe River – a great opportunity to see hippo and perhaps elephant or buffalo coming to the river to bathe and drink.

The Chobe River is a major watering spot for large breeding herds of elephants, as well as families of giraffe, sable and cape buffalo. The flood plains are the only place in Botswana where the puku antelope can be seen. Birding is also excellent here. When in flood spoonbills, ibis, various species of stork and other waterfowl flock to the area.

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *Yes*

Optional Activities: *Nil*

Day 18:

Kasane – Livingstone, Victoria Falls, Zambia

Distance travelled +/- 80 Km

Approx driving time: 1.5 Hours

This morning we head out to explore the Chobe National Park on an open vehicle game drive where we have the opportunity to spot not only elephant that are so prolific in the park, but also lion, and different antelope species. Moving on from Kasane we take the ferry across the confluence of the Chobe and Zambezi Rivers into Zambia. Zambia, formerly known as Northern Rhodesia took its name from the Zambezi River at independence in 1964. The Zambezi River is the fourth longest in Africa (after the Nile, Congo and Niger) and the largest flowing into the Indian Ocean. Home to one of the world's largest waterfalls, we visit Victoria Falls and try to take in the immensity of one of nature's Wonders of the World. At various times of year, the spray from the Falls can be seen from up to 20 or 30 kilometres away, hence the local name 'Mosi oa Tunya' – the 'Smoke that Thunders'.

We set up camp at the Waterfront campsite on the banks of the Zambezi, just a few kilometres from the Victoria Falls and the small town of Livingstone. We will give a full briefing on the various optional activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, horse riding, scenic flights and river cruises), allowing you to plan your time accordingly.

Ocean to Ocean (19OT033) – Tour Dossier

NB For the sake of practicality, meals in the Livingstone/Victoria Falls area are restricted to breakfasts. In 1929 it was set aside as a National Park for the benefit of all Zimbabwe's peoples. The park covers an area of over 14,600 sq km and is known for its elephant but contains over 100 mammal species including Africa's "Big 5" (leopard, lion, elephant, rhino and buffalo), as well as giraffe, cheetah, gemsbok and the brown hyena and abundant bird species. The reserve also has a large concentration of the Black and White Rhino and providing it's safe to do so our guides will lead us on foot to search for these magnificent animals. Approaching these massive beasts is a heart racing, breath taking and memorable experience. At such times it may be comforting to remember that rhinos are herbivores. The park also has a dense population of leopard and black eagle and we hope to catch sight of either (or both) these creatures. We also keep a look out for giraffe, zebra, ostrich and a variety of antelope and buck species.

Nearby is one of the most important archaeological sites in Southern Africa: the Great Zimbabwe National Monument. Dating back to 1200AD this place was once the home to an indigenous population of some 10,000 people. A UNESCO World Heritage Site the area holds special significance to the country which took its name. Legend says this was the city where the Queen of Sheeba resided and archaeological finds uncovered gold, coins and porcelain from as far afield as Persia and China, highlighting the importance of the city as a trading post. We camp nearby for easy access and ample time to explore the ruins at leisure and with a local guide who will give you basic information of the area. If you have the energy there is the opportunity to trek to the top of the Hill Enclosure to enjoy a wondrous African sunset.

Day 25: Masvingo - Bandula Area, Mozambique

Distance travelled: +/- 380 Km

Approx driving time: 7 Hours

Today, we leave early and stop off in Mutare and if time allows stop at the spectacular Birchenough Bridge (named after Sir Henry Birchenough). The bridge spans the Save River on its 400 km journey through Zimbabwe and Mozambique and is one of many scenic features of eastern Zimbabwe.

Once we have stocked up on supplies we make our way to the border point to leave Zimbabwe and enter Mozambique.

NB Border formalities entering Mozambique can be time consuming and we may be held here for several hours while the paperwork is completed. Your patience at such times is greatly appreciated. We find the best way to proceed is to let officials work at their own pace and wait patiently. Your tour leader will do most of the work but he (she) will be grateful for your understanding if things seem to be taking longer than they should.

Once formalities are complete we make our way the Bandula area near the Chicamba Dam where our campsite is located within a 550-hectare conservancy. Most people notice immediate differences upon entering Mozambique.

Ocean to Ocean (19OTO33) – Tour Dossier

Travelling is generally slower and road conditions more demanding. Campsites are not as well appointed. Towns and shops may have fewer goods or less variety. While this can sometimes be frustrating many people after a few days find this one of the more appealing and attractive aspects of their over-land tour. Overlanding is an adventurous type of travel and these are not 'conventional' holidays. We are sure you will enjoy Mozambique but do try to warn you not to expect things to be the same as elsewhere in Africa.

Accommodation: *Casa Msika or similar – Camping in twin share tents with shared facilities*

Day 26:

Bandula – Vilanculos area

Distance travelled: +/- 510 Km

Approx driving time: 10 Hours + Boat trip to camp

This morning, we leave early and make our way to the spectacular Indian Ocean coast. We arrive at Vilankulo (or Vilanculos), the Gateway to the Bazaruto Archipelago. On arrival, we gather our luggage and snorkels for the following day's island trip and board our traditional dhow boat to our 'rustic' bush camp. The beach camp is located on a remote stretch of the coast approximately 90 minutes sail from Vilanculos town itself. We arrive in the late afternoon and settle in to our beach camp for the next 2 nights.

With its powdery-white beaches, turquoise waters, and superb all-year round climate, Magaruque is perfect to relax, unwind and explore the local marine life. We bid our seaside camp farewell and head further down the scenic coast via Inhambane to Tofo where we will spend the next 2 nights. Tofo is a small beach town with lovely open beaches, where the pace of life slows allowing you to relax and soak up the atmosphere. There are many activities on offer such as horse riding, snorkelling and scuba. Whale Sharks and Manta Rays inhabit the coastline all year round but are in larger numbers in the summer months (November to March). Humpback whales usually arrive around mid-June and are present until mid-October. The natural vegetation of the coastal plain is dune forest, but this has largely been replaced by coconut palms, planted by the Portuguese and local Bitonga people to supply the thriving copra trade. There are some exciting bars and restaurants in the area - sample the local seafood, the area is famous for it - and the local beer (called '2M') or else simply relax and enjoy a good read. You could also take a trip into Inhambane, the second oldest town in Mozambique to explore the local market.

The local markets are also a highlight with fresh fish, seafood and farm produce on sale. You'll soon see the mix of Arabic and African cultures that create a vibrant, eclectic style of its own.

From the dwarf mongoose to the 'Big Five', almost every major African mammal (148 species) is present. There is also prolific birdlife (over 505 species) and over 330 varieties of trees.

We game drive in the morning and afternoon in search for the abundance of wildlife including the 'Big 5' – Rhino, elephant, buffalo, leopard and lion together with a high density of other mammals and diverse bird species such as eagles, hornbills, vultures and bee eaters. TOUR STYLE:

Camping Overland Tour

Travelling on an overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Ocean to Ocean (19OT033) – Tour Dossier

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED: All tour highlights, 2-person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED: Adventure Pass Activities and Excursions (optional), visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. **NB:** Lunches and dinners in Swakopmund, Livingstone, Victoria Falls and the last day and dinner in Windhoek is not included in the tour price.

ADVENTURE PASS: Every Overland tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour at the time of booking). This is separate and in addition to the Tour Price. The Adventure Pass is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS: These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

ACCOMMODATION: We use 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. In the Okavango Delta on day 14 we use twin share pre-erected tents with en-suite facilities.

TRANSPORT: 24-seater, self-contained, custom-built safari truck with onboard tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers; 12 Seat overland truck, mokoro (dugout canoe), river boat, 4x4 safari vehicles and dhow sailing boat. Travel times indicated are approximate and do not include stops en-route.
NB: Between Victoria Falls and Johannesburg a smaller 12-seater custom-built safari truck with trailer for luggage is used

GAME PARK VISITS To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit. These local services are included in the Local Payment.

INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-20 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money Spending money is best carried as cash. South African Rand can be used throughout South Africa & Namibia only and can be obtained from an ATM on arrival. US dollars (US Dollars in clean, un-torn, **post 2008** edition notes) is also accepted for many optional activities & at markets throughout Africa. We have an on-board passenger safe for security and your guide will advise how and when you can exchange money (US dollars, Sterling or Euro) to local currency throughout the tour.

Currencies are as follows: South Africa – Rand; Namibia – Namibian Dollar; Botswana – Botswana Pula; Zambia – Zambian Kwacha, Zimbabwe – US Dollars, Mozambique – Metical. Please note that Rand is legal tender in Namibia at the same rate of exchange as the Namibian Dollar.

ATM machines are found in Southern Africa. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
