Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour and travels together with the camping counterpart.

Your tour ends in **Pretoria**, South Africa's administrative capital. Close enough to Johannesburg to almost be considered a suburb, Pretoria is known as the Jacaranda City, with purple blossoms covering the streets in October each year. Pretoria boasts many sights of interest – such as the 10m bronze statue of Nelson Mandela standing beside the historic Union Buildings. Various cultural sites, shops, bars and restaurants are within an easy walk of our recommended hotel (and tour end point).

How do I get to the airport from Pretoria? Simple. Book a transfer with Acacia to take you directly to Johannesburg's OR Tambo International. Journey time is about 45 minutes depending on traffic. We particularly recommend a pre-booked transfer if you are departing late. Alternatively, there is a regular low-cost train service called the Gautrain which runs from Pretoria to OR Tambo International and Johannesburg. If the train interests you, email or ask Acacia for more information.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 46 Days
Countries visited: Uganda, Kenya, Tanzania, Malawi, Zambia, Zimbabwe and South Africa

Day 1:

Nairobi – Lake Nakuru National Park

Distance travelled: +/- 190 Km
Approx driving time: 4 Hours

Kenya is East Africa's most popular safari destination and has a long tradition of tourism and of welcoming visitors. Nairobi, the Kenyan capital, has seen rapid growth in recent years but still has a comparatively small city centre, interesting city markets, numerous craft shops, book shops and plenty of cafes and restaurants. We recommend you arrive at least one day before the tour departure in order to relax, check out the city and overcome any jetlag.

We depart Nairobi early and descend into the 'Great Rift Valley', an enormous cleft in the Earth's surface stretching from the Red Sea to Madagascar but with particularly marked escarpments here in Kenya. We stop at a lookout point to take in the magnificent views. Our overnight stop is Lake Nakuru National Park, a relatively small park (by African standards) however prolific in wildlife, situated on the Great Rift Valley floor. The shallow soda lake attracts a huge variety of birdlife – especially flamingos, which may gather in such numbers that (when viewed from above) they form a strikingly pink 'fringe' around the lake-shore.

However, Lake Nakuru is not simply a bird sanctuary, it is also home to buffalo, lion, rhino (black and white), leopard, warthog, baboon, antelope, and a variety of smaller animals. A delightful introduction to East Africa's wildlife diversity that we search for in an afternoon game drive making use of local guides and smaller safari vehicles for a more intimate experience.

Lake Nakuru - Eldoret

Distance travelled: +/- 150 Km
Approx driving time: 3.5 Hours

From Nakuru we continue northwest and climb in altitude towards the town of Eldoret, en route to the Ugandan frontier. We cross from the Southern Hemisphere to the Northern Hemisphere today over the Equator, enjoying some time here learning a little about its significance and taking photos before moving onwards to Eldoret. The

Ultimate African Adventure (19UAAJ46A) – Tour Dossier

name 'Eldoret' is based on the Maasai word 'Eldore' meaning stony river, due to the stony bed of the nearby Sosiani River. The town is the 5th largest in Kenya and is the fastest growing with a population of approx 194,000. We stay outside of town in a unique area created on hilly forest tribal land, once home to members of the ancient Sirikwa tribe. Preserved on the site are excavations with stone sides, commonly called Sirikwa holes, which are believed to have been roofed and occupied by the inhabitants of a bygone age.

We cross into Uganda, Winston Churchill's 'Pearl of Africa', a country with beautiful natural scenery and a rich mosaic of tribes and cultures – and friendly people. Our first night we stay at the capital Kampala, an attractive hilly city, bustling with roadside traders, markets and busy matatu (mini-bus taxi) stands.

Kampala – Queen Elizabeth National Park Area

Distance travelled +/- 240 Km

Approx driving time: 5 hours

From Kampala, we travel west towards Queen Elizabeth National Park, crossing the Equator again, through fertile green terraced hillsides, lush banana plantations, steep mountains and tangled forests. From the truck we should see herds of Ankole cattle with their incredible long curving horns roaming the roads and paddocks. We stay a short distance from the Queen Elizabeth National Park. Here you will have the opportunity to relax and unwind, take a walk in the surrounding areas and mingle with the local community.

Accommodation: Simba Camp - Twin share accommodation with en-suite facilities

Day 5:

Queen Elizabeth National Park

This morning we enter the Queen Elizabeth National Park and taking in the magnificent views of the mountains that separate Uganda from central Africa as well as Lake Edwards and Lake George. Queen Elizabeth National park has over 500 species of bird and 100 species of mammals, making it one of the most bio diverse national parks in the world. If we are lucky, we may get to spot some of these animals en-route to Kyambura Gorge for the trek to see the chimpanzees. Unlike their larger cousins, the mountain gorilla, chimps live mostly in the trees and so our viewing consists mainly of peering high into the forest canopy. Predictably, the experience of seeing man's closest relative in the wild is a memorable one.

Chimpanzee Trek permits are issued by the wildlife authority in groups of up to 8 people at a time, per group. Depending on our group size, this means that we may trek on the afternoon of day 4, morning of day 5 and afternoon of day 5 or morning of day 6.

Day 6:

Queen Elizabeth National Park - Lake Bunyonyi

Distance travelled +/- 240 Km

Approx driving time: 5 Hours

We leave the picturesque hills of the national park and make our way to the lush and stunning Lake Bunyonyi ('Place of many little birds'). This lake is 27km long, 7km wide and at an elevation of 1950 metres above sea level, it is surrounded by undulating hills between 2200m to 2478m high. With a depth of nearly 900m in parts, this lake is the second deepest lake in Africa (the deepest being Lake Tanganyika in Tanzania). With twenty-nine islands that can be visited by local boats, the lake is a great place to unwind, relax and explore on the days that we don't trek to see the mountain gorillas.

Over the next two days the group will be split, with one group trekking to the mountain gorillas while the others stay at Lake Bunyonyi to enjoy the many activities on offer.

Ultimate African Adventure (19UAAJ46A) – Tour Dossier

Lake Bunyonyi

There are many activities to do here such as hiring canoes to visit some of the lakes' islands, visit local tribes and villages, visiting the local orphanage, as well as bird watching and nature walks. Alternatively, just relax, catch up on your travel diary or postcards to home, or sorting through your photos of your trip so far.

Mountain Gorilla Trekking

This region of Africa is home to the world's remaining 700 free-roaming mountain gorillas, many of which inhabit the Bwindi Impenetrable National Park. [We may travel into neighbouring Rwanda to trek for the gorillas only if need be.]

On the day of your trek we gather in the early morning to meet our local guide and tracker. Walking in small groups, we trek into the thick rainforest. The trek can be demanding at times - with uneven terrain and hilly rainforest, but the privilege of spending time with a family of these gentle primates makes the effort well worthwhile. To many people the day's trek and time with the gorillas remains their most exciting wildlife encounter in Africa.

The usual procedure, once we have located the gorilla 'family', is to squat or sit down and simply observe them for around an hour – the time set by the Uganda Wildlife Authority (the national body charged with controlling and maintaining the gorillas in Uganda). Gorillas are sociable creatures, living in groups between 12 and 20 individuals, usually led by an alpha male (the 'silverback' - so called because of the silver hair on his back which grows once the male gorillas reach maturity). Most people find that the gorillas are remarkably human-like at close quarters – particularly in the social interaction between family members and in 'play' activity in which the young engage. Photography is permitted (although not with a flash and there are restrictions for those who wish to use a video camera.)

Your permit allows you one trek and gorilla viewing (time limited to one hour). However, because the authorities maintain strict limits on the number of visitors allowed to view the gorillas each day, we may spend several days in the area while all passengers in our group complete the trek and viewing.

NB: Depending on the availability of the gorilla permits the tour itinerary may vary in day to day running order which is based on the brochure itinerary. From time to time we may have to trek on different days. If at any reason our Gorilla trek should be in another neighbouring country, e.g. Rwanda (instead of Uganda) this may entail extra visa fees although we shall endeavour to advise you before departure of any significant changes to the tour itinerary.

Please take the above itinerary as a guideline only. **This applies to day 6 – 8 of this tour.**

Day 10:

Kampala - Jinja

Distance travelled +/- 80 Km

Approx driving time: 1.5 Hours

Leaving Kampala, we drive the short distance to the town of Jinja on the banks of Lake Victoria and the Nile. It was in 1862 that the British explorer John Hanning Speke recognised Lake Victoria as the 'source of the Nile' settling a long running dispute about Africa's (and the world's) longest river. From his modest monument on the banks, the Nile begins its 4132-mile course through Uganda, Sudan and eventually Egypt to the Mediterranean Sea.

Our accommodation is situated on the grassy banks overlooking the Nile River. It is here that we usually have the option to try river rafting - an exciting day out for those enjoying the thrill of 'white-water'. There is also the opportunity to make some difference to local children at a local school project: 'Soft power' is a locally run volunteer programme aimed at building and improving schools in the Jinja area to which your contribution of a few hours of painting or plastering is always most welcome. Other activities at Jinja include mountain biking, quad biking, village walks and even Nile cruises.

Distance travelled: +/- 300 Km

Approx driving time: 5 hours

We depart the city early and make our way across the Great Rift Valley to the Masai Mara National Reserve, enjoying views of the vast vista en-route. We travel in small specialized safari vehicles that enable us to have a more intimate view of wildlife. We spend two nights camping on the edge of the Reserve with time to explore the park on morning and afternoon game drives.

Optional Activities: Nil

Day 17:

Masai Mara Reserve, Kenya

Approx driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' – lion, rhino, elephant, buffalo and leopard.

The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days. The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth

in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo and leopard) and an array of other wildlife.

We stop for a lunch before returning to our tented camp for the evening.

Day 19:

Nairobi – Arusha, Tanzania

Distance travelled: +/-270 Km

Approx driving time: 5 Hours

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles and people, all nestling in the shadow of the brooding Mt Meru (4556m).

After exploring the curio markets, we head to our accommodation just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three-day excursion to the Serengeti National Park and the Ngorongoro Crater.

Ultimate African Adventure (19UAAJ46A) – Tour Dossier

Day 20:

Arusha - Serengeti National Park

Distance Travelled: +/- 250 Km

Approx driving time: Full day including game drives

This morning we transfer to smaller and more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We enter the park and drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Masai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* – 'the place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Serengeti National Park: Bush Camp - Camping in twin share tents with very rustic/basic shared facilities (no shower, pit latrine), mattress, sleeping bag and pillow provided

Meals included: Breakfast, Lunch, Dinner

Day 21:

Ngorongoro Crater

We drive out of the plains, game driving en-route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Accommodation: Simba Camp - Camping in twin share tents with basic shared facilities

Day 22:

Ngorongoro Crater - Arusha, Meserani Snake Park

Distance Travelled: +/- 250 Km

Approx driving time: Full days including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our accommodation at the Meserani Snake Park.

Note: We may enjoy the Masai walk on this day if we were unable to make this on day 19.

Accommodation: Meserani Snake Park - Basic Twin share accommodation with shared facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: No

Optional Activities: Nil

Day 23:

Arusha – Bagamoyo

Distance travelled: +/- 560 Km

Approx driving time: 11 Hours

This morning we wake early and head south via Moshi to Bagamoyo. If the weather is clear we will be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our accommodation for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Day 24:

Bagamoyo – Dar es Salaam

Distance travelled: +/- 60 Km

Approx driving time: 2 - 3 Hours

Day 25:

Dar es Salaam - Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches; romantic winding cobbled alleys and lush tropical forests. You will find all these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade here is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the truck on the mainland, basic tourist class accommodation (B&B) is included but for the sake of flexibility other meals are left for your own account.

Typically, we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Please note that some group members may be starting their tour in Dar es Salaam. Both old and new are invited to join in any group outings.

At an altitude of 1600m Kisolanza ensures a pleasant fresh climate in one of the most scenic areas in the Southern Highlands of Tanzania. Home to the Ghau family for over 70 years, Kisolanza remains a working farm providing organic meat (beef, lamb and chicken) and vegetables to the surrounding markets as well as Dar es Salaam. Distance travelled: +/- 550 Km

Approx driving time: 11 Hours

Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day. The lake also has the highest number of endemic fresh water fish species of any in the world.

NB: Although it is our intention to adhere to the accommodation described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guide line only.

Day 32:

Chitimba Beach, Malawi

Relax on the beach, take a leisurely village walk or do the full day trip to Manchewe Falls where after 11km of hiking you can cool off in a natural bath. The surrounding hills are home to the Livingstonia Mission where David Livingstone worked from for a time while staying in Malawi. The views from here are simply magnificent and well worth the effort of hiking to. For those staying at the campsite, there is a local craft market where you can enjoy learning the ins and outs of woodcarving your own souvenir, or learn to play the game of Bao, haggle for some souvenirs or enjoy a relaxing day admiring the shimmering waters on the beach.

Don't forget your raincoat to keep you and your camera dry!

The accommodation management provide information on all activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, scenic flights, river cruises), allowing you to plan your time accordingly over the next four nights.

NB For the sake of practicality, meals in Livingstone are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15 - \$30 per meal). Relax and enjoy these few days at your own leisure. Alternatively, take a taxi or free shuttle into Livingstone and try the local fare.

The hills are also home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. Ultimate African Adventure (19UAAJ46A) – Tour Dossier

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED: All tour highlights, twin share accommodation (43 nights), twin share tents (2 nights), fully equipped safari vehicles, cooking equipment, mattresses, sleeping bag and pillow for camping nights, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED: Adventure Pass Activities and Excursions (optional), visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks and items of personal nature. NB lunches and dinners in Livingstone, Nairobi and on Zanzibar are not included.

ADVENTURE PASS: Every Overland tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour at the time of booking). This is separate and in addition to the Tour Price. The Adventure Pass is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES & EXCURSIONS: These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

GORILLA & CHIMPANZEE TREK: Depending on the availability of the chimpanzee and gorilla permits the tour itinerary may vary in day to day running order which is based on the brochure itinerary. From time to time we may have to trek on different days. If at any chance our Gorilla trek should be in another neighbouring country, e.g. Rwanda (instead of Uganda) this may entail extra visa fees although we shall endeavour to advise you before departure of any significant changes to the tour itinerary. Please take the above itinerary as a guideline only. **This applies to day 6-8 of this tour.**

ACCOMMODATION: Twin share accommodation with facilities (43 nights) twin share tents with sleeping bag, pillow and mattress (2 nights) some camps may have a bar or swimming pool. In most cases rooms are en suite but from time to time some rooms may be shared facilities where en suite is indicated.

Truck changes may occur on this tour. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS: To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

Tour Preparation

BOOKING INFORMATION

When you make a confirmed booking for your tour you will be sent your booking documents and a pre-departure booklet with detailed information to help you prepare for your trip. Once you have paid in full you will receive a Travel Voucher giving details of your joining hotel. Nairobi (NBO) and Johannesburg (JNB) nearby Pretoria are well served by several airlines and your travel agent can advise on flights to the start of the tour.

GORILLA AND CHIMPANZEE PERMITS

The Uganda Wildlife Authority imposes strict regulations regarding the gorilla trekking permits. One of these is that permits must be booked and paid in advance. In order for us to do this we must collect your permit money, in addition to your normal deposit, at the time of booking. Like your deposit, the permit money is not refundable if you cancel your tour. The Gorilla and Chimpanzee permit currently (Sept 2018) cost US\$780.00 per person. Please ask your agent or Acacia for the equivalent amount in your own currency. Please note: To ensure we obtain gorilla permits we may have to adjust the itinerary slightly from the published route. Any such adjustment will be explained to you where-ever possible before you leave for Africa. Our focus at all times will be to ensure everyone has the opportunity to do the treks and enjoy the very Africa experience.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites and accommodation we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us.
