Intended Itinerary

It is our intention to adhere to the route described below, but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary and/or accommodation at short notice. Driving times are approximate and may vary due to bad weather, traffic, border crossings, police check-points, road works or road conditions and do not include any stops en-route. **Please therefore treat the following as a guide only.** This is a participation tour. Our accommodated tour option travels together with the camping counterpart. Your tour may form part of a longer tour, which some of your fellow travellers may have joined already or continue afterwards.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 24 Days

Countries visited: Kenya, Tanzania, Malawi, and Zambia

Day 1: Nairobi, Kenya - Maasai Mara Reserve

Distance travelled: +/- 300 km

Approx. driving time: 6 - 7 Hours (excluding stops)

We travel in small, purpose-built safari vehicles, giving you a closer, more immersive view of wildlife. Departing the city early, we cross the Great Rift Valley en route to the Maasai Mara National Reserve, with sweeping views along the way. In the afternoon, we visit a local Maasai village for a cultural encounter.

Accommodation: Enchoro Wildlife Camp (or similar)

○ **Camping Tour (SEA24):** Twin / triple share pre-erected tents with en-suite facilities

○ **Accommodated Tour (SEA24A):** Twin / triple share pre-erected tents with en-suite facilities

Meals Included: Lunch, Dinner

Wi-Fi: No (availability may change without notice)

Optional Activities: Nil

Day 2: Maasai Mara Reserve

Approx. driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' - lion, rhino, elephant, buffalo, and leopard. The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days.

The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra, and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals, and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit, we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo, and leopard) and an array of other wildlife. We stop for a lunch before returning to our tented camp for the evening.

Day 4: Nairobi - Arusha, Tanzania

Distance travelled: +/- 290 km

Approx. driving time: 6 - 7 Hours (excluding stops / border crossing)

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles and people, all nestling in the shadow of the brooding Mt Meru (4556m).

After exploring the curio markets, we head to our camp just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three-day excursion to the Serengeti National Park and the Ngorongoro Crater. This afternoon, if time allows, we have the option to enjoy a walk to one of the local Maasai villages for an insight into everyday life and traditions of this colourful culture.

NB: Some group members may be starting their tour in Nairobi today.

Day 5: Arusha - Serengeti National Park

Distance travelled: +/- 300 km

Approx. driving time: Full day including game drives

This morning, we transfer to smaller, more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Maasai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* - 'the place where the land moves on forever'.

We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Seronera Camp (or similar)

- **Camping Tour (SEA24):** Camping in twin share tents with very basic shared facilities (cold shower)
- **Accommodated Tour (SEA24A):** Camping in twin share tents with very basic shared facilities (cold shower)

Wi-Fi: No (availability may change without notice)

Optional Activities: Nil

Day 6: Ngorongoro Crater

Approx. driving time: Full day including game drives

We drive out of the plains, game driving en-route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Accommodation: *Simba Camp (or similar)*

- **Camping Tour (SEA24):** *Camping in twin share tents with very basic shared facilities*
- **Accommodated Tour (SEA24A):** *Camping in twin share tents with very basic shared facilities*

Day 7: Ngorongoro Crater - Arusha

Distance travelled: +/- 150 km

Approx. driving time: Full day including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All of the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park.

Accommodation: *Meserani Snake Park (or similar)*

Day 8: Arusha - Bagamoyo

Distance travelled: +/- 600 km

Approx. driving time: 12 - 13 Hours (excluding stops)

This morning, we wake early and head south via Moshi to Bagamoyo. If the weather is clear we will be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our camp for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Accommodation: *Firefly Camp (or similar)*

Day 9: Bagamoyo - Dar es Salaam

Distance travelled: +/- 70 km

Approx. driving time: 3 - 4 Hours (excluding stops)

Leaving Bagamoyo we make our way south to Dar es Salaam. 'Dar' is Tanzania's main port and is a hub of commerce and industry - a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast, accessing one of the most important sea routes in the world. To a majority of travellers, this city is the port of entry to the more exotic island of Zanzibar and other archipelago islands. We set up camp on the beach just outside of the city, take in the balmy Indian Ocean sea breeze, and prepare for our trip to Zanzibar.

Accommodation: *Kipepeo Beach Village (or similar)*

- **Accommodated Tour (SEA24A):** *Twin share chalets with en-suite facilities*

Day 10: Dar es Salaam - Zanzibar Island, Stone Town

Distance travelled: +/- 20 km & Zanzibar Ferry

Approx. driving time: 4 - 5 Hours including Zanzibar Ferry (excluding stops)

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches, romantic winding cobbled alleys and lush tropical forests. You will find all these here - and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade here is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast - the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held - and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics and wooden carvings, or visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean, and hot sun you prefer - head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the Acacia vehicle on the mainland, basic tourist class accommodation (B&B) is included but for the sake of flexibility other meals are left for your own account. Typically, we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Leaving the bustling city and warm Atlantic coast, we drive inland through the Mikumi National Park where we may, with luck, spot forest elephant or giraffe feeding near the side of the road. Our campsite is located a short stone's throw from the park, and we enjoy sundowners at the local bar/ restaurant followed by the evening around the open fire under the blanket of stars. If time allows, we can go on an optional game drive in the afternoon to explore the magnificent park - Tanzania's 5th largest. Expect to see Elephant, hippo, crocodiles, antelope and with some luck some buffalo or lion.

At an altitude of 1600m Kisolanza ensures a pleasant fresh climate in one of the most scenic areas in the Southern Highlands of Tanzania. Home to the Ghau family for over 70 years, Kisolanza remains a working farm providing organic meat (beef, lamb and chicken) and vegetables to the surrounding markets as well as Dar es Salaam. After our last night in Tanzania, we head to the Songwe border post into Malawi. Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his Bwato, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day. The lake also has the highest number of endemic freshwater fish species of any in the world. Relax on the beach, take a leisurely village walk, visit the local craft market where you can enjoy learning the ins and outs of woodcarving your own souvenir, learn to play the game of Bao or haggle for some souvenirs.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi, and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guideline only.

At various times of year, the spray from the 'Falls' can be seen from up to 20 or 30 kilometres away, hence the local name Mosi oa Tunya - the 'Smoke that Thunders'. Don't forget your raincoat to keep you and your camera dry! The campsite management provide information on all activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, scenic flights, river cruises), allowing you to plan your time accordingly over the next four nights.

NB: For the sake of practicality, meals in Livingstone are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15-\$30 per meal). Relax and enjoy these few days at your own leisure. Alternatively, take a taxi into Livingstone and try the local fare.

TOUR STYLE:

Adventure Tour

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking, and keeping the Acacia vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

We would be happy to book pre-tour accommodation and transfers for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please **book early** to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings. If time allows, we also suggest planning a night or two extra (after your tour) to make the most of this part of Africa. Accommodation is usually available locally on arrival, but you can pre-book this with Acacia or your agent.

LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft holdall or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

NB: KENYA PLASTIC BAG BAN - All forms of plastic carrier bags are banned in Kenya; including 'Airport Duty Free' plastic bags, airport security plastic bags for liquids, shopping bags, storage bags, zip-lock plastic bags. The strict ban applies to everyone, and it is mandatory that you leave any form of plastic bag/s at your country of origin.

NB: TANZANIA PLASTIC BAG BAN - Tanzania has a ban on single-use plastic. Prohibited items include single-use plastic carrier bags, shopping bags/packing plastic carrier bags. Ziplock bags and storage compartment bags (e.g., toiletries) will be permitted as they are expected to remain in possession of traveller. We do however suggest that you leave these items behind in your country of origin.

INSURANCE

It is a booking condition of Acacia that you have full travel insurance valid for the duration of your tour to cover you for medical emergency and repatriation to your home country. Your guide will ask you for a copy of this when you join the tour. It is also important that you leave a copy of your insurance with the person nominated as your emergency contact. We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <https://acacia-africa.com/travel-info> for more details. In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2008** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

Currencies are as follows: Kenya - Kenya Shilling; Tanzania - Tanzania Shilling; Malawi - Malawi Kwacha; Zambia - Zambian Kwacha

ATM machines are found in Nairobi, Arusha, Dar es Salaam, and Zanzibar and in Southern Africa. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advice on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
