Intended Itinerary

It is our intention to adhere to the route described below, but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary and/or accommodation at short notice. Driving times are approximate and may vary due to bad weather, traffic, border crossings, police check-points, road works or road conditions and do not include any stops en-route. **Please therefore treat the following as a guide only.** This is a participation tour. Your tour may form part of a longer tour, which some of your fellow travellers may have joined already or continue afterwards.

The description below follows the itinerary with the mandatory Adventure Pass for the tour.

Duration: 39 Days

Countries visited: Uganda, Kenya, Tanzania, Malawi, and Zambia

Day 1: Nairobi, Kenya - Lake Nakuru National Park

Distance travelled: +/- 190 km

Approx. driving time: 4 - 5 Hours (excluding stops)

Kenya is East Africa's most popular safari destination and has a long tradition of tourism and of welcoming visitors. Nairobi, the Kenyan capital, has seen rapid growth in recent years but still has a comparatively small city centre, interesting city markets, numerous craft shops, book shops and plenty of cafes and restaurants. We recommend you arrive at least one day before the tour departure in order to relax, check out the city and overcome any jetlag.

We depart Nairobi early and descend into the 'Great Rift Valley', an enormous cleft in the Earth's surface stretching from the Red Sea to Madagascar but with particularly marked escarpments here in Kenya. We stop at a lookout point to take in the magnificent views. Our overnight stop is just outside Lake Nakuru National Park, a relatively small park (by African standards) however prolific in wildlife, situated on the Great Rift Valley floor. The shallow soda lake attracts a huge variety of birdlife - especially flamingos, which may gather in such numbers that (when viewed from above) they form a strikingly pink 'fringe' around the lakeshore. However, Lake Nakuru is not simply a bird sanctuary, it is also home to buffalo, lion, rhino (black and white), leopard, warthog, baboon, antelope, and a variety of smaller animals. A delightful introduction to East Africa's wildlife diversity that we search for in an afternoon game drive making use of local guides and smaller safari vehicles for a more intimate experience.

Day 2: Lake Nakuru - Eldoret

Distance travelled: +/- 150 km

Approx. driving time: 3 - 4 Hours (excluding stops)

From Nakuru we continue northwest and climb in altitude towards the town of Eldoret, en-route to the Ugandan frontier.

We cross from the Southern Hemisphere to the Northern Hemisphere today over the Equator, enjoying some time here learning a little about its significance and taking photos before moving onwards to Eldoret. The name 'Eldoret' is based on the Maasai word 'Eldore' meaning stony river, due to the stony bed of the nearby Sosiani River. The town is the 5th largest in Kenya and is the fastest growing with a population of approx. 194,000. We camp outside of town in a unique campsite created on hilly forest tribal land, once home to members of the ancient Sirikwa tribe. Preserved on the site are excavations with stone sides, commonly called Sirikwa holes, which are believed to have been roofed and occupied by the inhabitants of a bygone age.

We cross into Uganda, Winston Churchill's 'Pearl of Africa', a country with beautiful natural scenery and a rich mosaic of tribes and cultures - and friendly people. Our first night we camp at the capital Kampala, an attractive hilly city, bustling with roadside traders, markets and busy matatu (mini-bus taxi) stands.

Day 4: Kampala - Chimpanzee Trekking Area

Distance travelled +/- 400 km

Approx. driving time: 9 - 10 hours (excluding stops)

From Kampala, we travel west crossing the Equator again, through fertile green terraced hillsides, lush banana plantations, steep mountains, and tangled forests. From the Acacia vehicle we should see herds of Ankole cattle with their incredible long curving horns roaming the roads and paddocks. Arriving at our accommodation you will have the opportunity to relax and unwind, take a walk in the surrounding areas, and mingle with the local community.

Day 5: Kalinzu Forest or Kyambura Gorge

Distance travelled +/- 50 km (each way)

Approx. driving time: 1 - 2 Hours (each way / excluding stops and trekking)

This morning, we trek to see the chimpanzees. Unlike their larger cousins, the mountain gorilla, chimps live mostly in the trees and so our viewing consists mainly of peering high into the forest canopy. Predictably, the experience of seeing man's closest relative in the wild is a memorable one. Chimpanzee trek permits are issued by the wildlife authority in small groups.

Depending on our group size, this means that we may trek on the afternoon of Day 4, morning of Day 5 and afternoon of Day 5 or morning of Day 6.

Day 6: Chimpanzee Trekking Area - Lake Bunyonyi

Distance travelled +/- 200 km

Approx. driving time: 5 - 6 Hours (excluding stops)

We leave the picturesque hills and make our way to the lush and stunning Lake Bunyonyi ('Place of many little birds'). This lake is 27km long, 7km wide and at an elevation of 1950 metres above sea level, it is surrounded by undulating hills between 2200m to 2478m high. With a depth of nearly 900m in parts, this lake is the second deepest lake in Africa (the deepest being Lake Tanganyika in Tanzania). With twenty-nine islands that can be visited by local boats, the lake is a great place to unwind, relax and explore on the days that we don't trek to see the mountain gorillas. Over the next two days the group will be split, with one group trekking to the mountain gorillas while the others stay at Lake Bunyonyi to enjoy the many activities on offer.

Lake Bunyonyi

There are many activities to do here such as hiring canoes to visit some of the lakes' islands, visit local tribes and villages, visiting the local orphanage, as well as bird watching and nature walks. Alternatively, just relax around camp, catch up on your travel diary or postcards to home, or sorting through your photos of your trip so far.

Mountain Gorilla Trekking

This region of Africa is home to the world's remaining 700 free-roaming mountain gorillas, many of which inhabit the Bwindi Impenetrable National Park.

On the day of your trek, we gather in the early morning to meet our local guide and tracker. Walking in small groups, we trek into the thick rainforest. The trek can be demanding at times - with uneven terrain and hilly rainforest, but the privilege of spending time with a family of these gentle primates makes the effort well worthwhile. To many people the day's trek and time with the gorillas remains their most exciting wildlife encounter in Africa.

The usual procedure, once we have located the gorilla 'family', is to squat or sit down and simply observe them for around an hour - the time set by the Uganda Wildlife Authority (the national body charged with controlling and maintaining the gorillas in Uganda). Gorillas are sociable creatures, living in groups between 12 and 20 individuals, usually led by an alpha male (the 'silverback' - so called because of the silver hair on his back which grows once the male gorillas reach maturity). Most people find that the gorillas are remarkably human-like at close quarters - particularly in the social interaction between family members and in 'play' activity in which the young engage. Photography is permitted (although not with a flash and there are restrictions for those who wish to use a video camera.)

Your permit allows you one trek and gorilla viewing (time limited to one hour). However, because the authorities maintain strict limits on the number of visitors allowed to view the gorillas each day, we may spend several days in the area while all passengers in our group complete the trek and viewing.

NB: Depending on the availability of the gorilla permits the tour itinerary may vary in day to day running order in relation to the brochure itinerary. From time to time, we may have to trek on different days. Please take the itinerary as a guideline only. **This applies to day 6 - 8 of this tour.**

Day 10: Kampala - Jinja

Distance travelled: +/- 80 km

Approx. driving time: 3 - 4 Hours (excluding stops)

Leaving Kampala, we drive the short distance to the town of Jinja on the banks of Lake Victoria and the Nile. It was in 1862 that the British explorer John Hanning Speke recognised Lake Victoria as the 'source of the Nile' settling a long running dispute about Africa's (and the world's) longest river. From his modest monument on the banks, the Nile begins its 4132-mile course through Uganda, Sudan and eventually Egypt to the Mediterranean Sea. Our camp is situated on the grassy banks overlooking the Nile River. It is here that we usually have the option to try river rafting - an exciting day out for those enjoying the thrill of 'white-water'. There is also the opportunity to make some difference to local children at a local school project: 'Softpower' is a locally run volunteer programme aimed at building and improving schools in the Jinja area to which your contribution of a few hours of painting or plastering is always most welcome. Other activities at Jinja include mountain biking, quad biking, village walks and even Nile cruises!

Day 17: Maasai Mara Reserve

Approx. driving time: Full day including game drives

We have the day to explore the Reserve in search for wildlife including the 'big 5' - lion, rhino, elephant, buffalo, and leopard. The sweeping plains, distant horizons, low slung acacia trees, and plentiful wildlife ensure a deeply evocative few days.

The 'Mara' is crossed every year between July and October by great herds of wildebeest, zebra, and other grazing animals in their migration from the adjoining Serengeti plains to the south (in Tanzania). How long they stay is dependent on rainfall and subsequent grass growth in the rainy season. Predators (such as lion, cheetah, leopard) and scavengers (hyena, vultures) follow the grazing animals, and this enormous congregation of wildlife forms a spectacular display of Africa's natural resource. But the Mara is excellent for game viewing at any time of year and regardless of when you can visit, we hope to see some, if not all, of Africa's 'Big Five' (elephant, lion, rhino, buffalo, and leopard) and an array of other wildlife. We stop for a lunch before returning to our tented camp for the evening.

Day 19: Nairobi - Arusha, Tanzania

Distance travelled: +/- 290 km

Approx. driving time: 6 - 7 Hours (excluding stops / border crossing)

After crossing the border into Tanzania at the busy Namanga frontier we arrive at our destination, Arusha, in the late afternoon. Situated mid-way between Cape Town and Cairo, this is very much Tanzania's 'safari capital' - a bustling city with colourful markets, shops, vehicles, and people, all nestling in the shadow of the brooding Mt Meru (4556m).

After exploring the curio markets, we head to our camp just outside Arusha on the open plains to the west of the city. It is from here that we prepare for our two night/three-day excursion to the Serengeti National Park and the Ngorongoro Crater. This afternoon, if time allows, we have the option to enjoy a walk to one of the local Maasai villages for an insight into everyday life and traditions of this colourful culture.

NB: Some group members may be starting their tour in Nairobi today.

Day 20: Arusha - Serengeti National Park

Distance travelled: +/- 300 km

Approx. driving time: Full day including game drives

This morning, we transfer to smaller, more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Maasai Mara the Serengeti is simply huge - indeed the name derives from the Maasai word *Siringitu* - 'the place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby, for an unforgettable experience.

Accommodation: Seronera Camp (or similar)

Day 21: Ngorongoro Crater

Approx. driving time: Full day including game drives

We drive out of the plains, game driving en-route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the altitude), where wildlife also roams free. At 326 square kilometres, the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

Day 22: Ngorongoro Crater - Arusha

Distance travelled: +/- 150 km

Approx. driving time: Full day including morning game drive

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All the large mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park.

Day 23: Arusha - Bagamoyo

Distance travelled: +/- 600 km

Approx. driving time: 12 - 13 Hours (excluding stops)

This morning, we wake early and head south via Moshi to Bagamoyo. If the weather is clear we will be afforded a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest peak (5895m). The quaint town of Bagamoyo was founded at the end of the 18th century and was one of the most significant trading ports along the East African coast. Our camp for the evening is situated close by to the palm fringed beaches of the Indian Ocean.

Day 24: Bagamoyo - Dar es Salaam

Distance travelled: +/- 70 km

Approx. driving time: 3 - 4 Hours (excluding stops)

Leaving Bagamoyo we make our way south to Dar es Salaam. 'Dar' is Tanzania's main port and is a hub of commerce and industry - a hot, humid, and bustling seaport city of high rises, colourful markets, and Arab influenced architecture on the coast, accessing one of the most important sea routes in the world. To a majority of travellers, this city is the port of entry to the more exotic island of Zanzibar and other archipelago islands. We set up camp on the beach just outside of the city, take in the balmy Indian Ocean sea breeze, and prepare for our trip to Zanzibar.

Day 25: Dar es Salaam - Zanzibar Island, Stone Town

Distance travelled: +/- 20 km & Zanzibar Ferry

Approx. driving time: 4 - 5 Hours including Zanzibar Ferry (excluding stops)

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches, romantic winding cobbled alleys and lush tropical forests. You will find all these here - and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade here is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for many generations, navigating the ocean in simple dhow sailboats, relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town. This influence can be seen right along the Eastern coast - the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries. Zanzibar's other history is not so romantic. The island was also a staging post for slaves bought from the African interior, being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held - and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 3 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, fabrics, and wooden carvings, or visit mosques, palaces, courtyards, and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean, and hot sun you prefer - head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the Acacia vehicle on the mainland, basic tourist class accommodation (B&B) is included in the tour price but for the sake of flexibility other meals are left for your own account. Typically, we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you if you have any questions or need activities arranged.

Distance travelled: +/- 250 km

Approx. driving time: 5 - 6 Hours (excluding stops / border crossing)

After our last night in Tanzania, we head to the Songwe border post into Malawi. Lake Malawi formerly 'Lake Nyasa' covers almost a fifth of the country's area and provides the source of livelihood for many of the Malawi people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his Bwato, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day. The lake also has the highest number of endemic freshwater fish species of any in the world. Relax on the beach, take a leisurely village walk, visit the local craft market where you can enjoy learning the ins and outs of woodcarving your own souvenir, learn to play the game of Bao or haggle for some souvenirs.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guideline only.

Don't forget your raincoat to keep you and your camera dry! The campsite management provides information on all activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, scenic flights, river cruises), allowing you to plan your time accordingly over the next four nights.

The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15 - \$30 per meal). Tour Information

TOUR STYLE:

Adventure Tour

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking, and keeping the Acacia vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife, and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding, and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

YOUR FELLOW TRAVELLERS:

Group Size: Maximum 18

Group Age: 16 - 75

Adventure Tours' travellers come from all over the world and from all walks of life.

NB: Sixteen- and seventeen-year-olds must be accompanied by at least one parent / legal guardian for the duration of their tour.

WHAT'S INCLUDED:

All tour highlights, 2-person dome tents / accommodation as indicated, fully equipped adventure vehicle, camping and cooking equipment, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

Adventure Pass activities, visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag (camping tour) and items of personal nature. **NB:** Lunches and dinners in Livingstone, Nairobi, and on Zanzibar are not included.

ADVENTURE PASS:

The Adventure Pass is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes).

**ACTIVITIES &
EXCURSIONS:**

The Adventure Pass covers selected park entries, activities, and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

**GORILLA &
CHIMPANZEE TREK:**

Depending on the availability of the chimpanzee and gorilla permits the tour itinerary may vary in day to day running order which is based on the brochure itinerary. From time to time, we may have to trek on different days. If at any chance our Gorilla trek should be in another neighbouring country, e.g., Rwanda (instead of Uganda) this may entail extra visa fees although we shall endeavour to advise you before departure of any significant changes to the tour itinerary. Please take the above itinerary as a guideline only. **This applies to day 6-8 of this tour.**

ACCOMMODATION:

Camping Tour (UAAV39): 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens and foam mattresses. Sleeping bags and pillows are not provided. Accommodation and facilities as indicated.

Accommodated Tour (UAAV39A): Accommodation and facilities as indicated. 2-person dome tents with fly sheets, sewn-in ground sheets, zip-up insect screens as indicated. A foam mattress, sleeping bag and pillow is provided on camping nights.

We mainly use campsites / accommodation, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar, or swimming pool.

Wi-Fi ON TOUR:

While Wi-Fi is becoming more common in some areas of Africa, we cannot guarantee the availability, coverage, speed, cost, or reliability during your tour.

TRANSPORT:

24-seater, self-contained, custom-built vehicle with on-board tables, USB charging station, drinks cooler box, freezer for food, external water tank, small library, safety features and 70-litre individual lockers (700mm deep x 330mm height x 540mm wide), purpose-built safari vehicle and fast ferry. Acacia vehicle changes may occur on this route. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS:

To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

Tour Preparation
BOOKING INFORMATION

When you make a confirmed booking for your tour you will be sent the booking documents and a pre-departure booklet with detailed information to help you prepare for your trip. Once you have paid in full you will receive a Travel Voucher giving details of your joining hotel. Nairobi (NBO) and Livingstone (LVI) are well served by several airlines. Your travel agent can advise on flights to and from the start and finish of your tour.

GORILLA AND CHIMPANZEE PERMITS

The Uganda Wildlife Authority imposes strict regulations regarding the gorilla trekking permits. One of these is that permits must be booked and paid in advance. In order for us to do this we must collect your permit money, in addition to your normal deposit, at the time of booking. Like your deposit, the permit money is not refundable if you cancel your tour. Please ask your agent or Acacia for the equivalent amount in your own currency. Please note: To ensure we obtain gorilla permits we may have to adjust the itinerary slightly from the published route. Any such adjustment will be explained to you where-ever possible before you leave for Africa. Our focus at all times will be to ensure everyone has the opportunity to do the treks and enjoy the very Africa experience.

PRE TOUR ACCOMMODATION

This tour departs Nairobi early on Day 1; we strongly recommend therefore that you plan to arrive at least the day before departure to overcome any jetlag and to acclimatise to Africa. We would be happy to book pre-tour accommodation and transfers for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please book early to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings. If time allows, we also suggest planning a night or two extra (after your tour) to make the most of this part of Africa. Accommodation is usually available locally on arrival, but you can pre-book this with Acacia or your agent.

LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft holdall or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

NB: KENYA PLASTIC BAG BAN - All forms of plastic carrier bags are banned in Kenya; including 'Airport Duty Free' plastic bags, airport security plastic bags for liquids, shopping bags, storage bags, zip-lock plastic bags. The strict ban applies to everyone, and it is mandatory that you leave any form of plastic bag/s at your country of origin.

NB: TANZANIA AND UGANDA PLASTIC BAG BAN - Both Uganda and Tanzania have a ban on single-use plastic. Prohibited items include single-use plastic carrier bags, shopping bags/packing plastic carrier bags. Ziplock bags and storage compartment bags (e.g toiletries) will be permitted as they are expected to remain in possession of traveller. We do however suggest that you leave these items behind in your country of origin.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips, and items of a personal nature.

Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money Spending money is best carried as cash. US dollars (US Dollars in clean, un-torn, **post 2008** edition notes) is also accepted for many optional activities & at markets throughout Africa. We have an on-board passenger safe for security and your guide will advise how and when you can exchange money (US dollars, Sterling, or Euro) to local currency throughout the tour.

Currencies are as follows: Kenya - Kenya Schilling; Uganda - Uganda Schilling; Tanzania - Tanzania Schilling; Zambia - Zambian Kwacha; Malawi - Malawi Kwacha

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advice on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
