Intended Itinerary

It is our intention to adhere to the route described below, but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary and/or accommodation at short notice. Driving times are approximate and may vary due to bad weather, traffic, border crossings, police check-points, road works or road conditions and do not include any stops en-route. **Please therefore treat the following as a guide only.** This is a participation tour. Our accommodated tour option travels together with the camping counterpart. Your tour may form part of a longer tour, which some of your fellow travellers may have joined already or continue afterwards.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 8 Days

Countries visited: Namibia, Botswana, and Zambia

Day 1: Windhoek - Omaheke Region, near Gobabis

Distance travelled: +/- 310 km

Approx. driving time: 6 - 7 Hours (excluding stops)

Leaving Windhoek, we travel east to Gobabis, a city in eastern Namibia and the regional capital of the Omaheke Region to our camp situated close to the border post. Here, in this midst of this beautiful camp we meet the San/Bushman and have a guided bush walk for a cultural experience and insight into these ancient people's way of life. We learn how they work with nature and manage the renewable resources found in their natural surroundings without damaging the fragile balance found in this ecosystem. Something we can all learn from. Your support of this ecotourism venture gives the San/Bushman a sustainable income and helps keep their culture alive.

Day 2: Omaheke Region, near Gobabis - Maun, Botswana

Distance travelled: +/- 520 km

Approx. driving time: 10 - 11 Hours (excluding stops / border crossing)

Leaving the Omaheke Region, we travel a short distance to the border into Botswana. Maun is the fifth largest town in Botswana and is an eclectic mix of modern buildings and native dwellings. Although officially still a village, Maun has developed rapidly from a rural frontier town to a community that has distributed along the wide banks of the Thamalakane River where red lechwe antelope can still be seen grazing next to local donkeys, goats, and cattle. Since Maun's founding in 1915 it has had a reputation as a hard living 'Wild West' town helping the local cattle ranching and hunting operations. Maun today is a thriving tourist town famous for its donkey population and to a lesser extent, goats. These animals can be seen standing around town as they are used by local traders and farmers alike to transport their wares to sell on the curb side.

NB: If time allows, we have the opportunity to take an optional scenic flight over the Okavango Delta, either this afternoon or on day 4 on our return from the Delta excursion.

Day 3: Maun - Okavango Delta

Distance travelled: +/- 50 km

Approx. driving time: 1 - 2 hours (excluding stops)

Leaving the campsite in Maun we begin our excursion into the Okavango Delta by an open 4x4 safari vehicle to the mokoro station. Here we will be introduced to the local Tswana Polers that will be guiding us on this expedition. We travel by mokoro (dugout canoe) amongst the giant lily pads, tall grasses and labyrinthine channels in search of resident wildlife and a variety of birds, to our tented camp from which we can explore the area on a walking safari. The Okavango is a natural wetland spreading over some 1,600,000ha of northern Botswana that offers a perfect habitat for the many species of wildlife that roam here freely. The Okavango River rises in Angola (farther to the north) and flows south dividing repeatedly after crossing into Botswana to form an intricate floodplain of channels and which spreads out into a broad flat inland delta - the only one of its kind in the world. We enjoy the afternoon wilderness experience and overnight listening to the sounds of the African night - an unforgettable experience!

We aim to get back to camp around lunch time to allow for the opportunity to enjoy an optional scenic flight over this spectacular UNESCO world heritage site. Alternatively, the afternoon can be spent at leisure at the camp's pool.

Today, we make our way towards Nata travelling through a wide-open wildlife corridor between the Nxai and the Makgadikgadi Pans. We stop off to see one of Africa's most iconic trees - the Baobab along the way and arrive at the Elephant Sands Lodge during the late afternoon. The camp has no fences, so all wildlife can roam freely from one waterhole to another, and one can expect to see a variety of antelope and other wildlife during your stay at Elephant Sands. It is one of the most unique and amazing experiences to watch wild elephants and their behaviour at such close proximity.

Day 6: Elephant Sands, Nata - Kasane

Distance travelled: +/- 270 km

Approx. driving time: 5 - 6 Hours (excluding stops)

We make our way to the northern corner of Botswana to Kasane, the gateway to Chobe National Park. By size, it is the third largest park in the country and is the most diverse; home to elephant, lion, buffalo, hippo, and abundant birdlife, including the famous African fish eagle. We take a 'Fish Eagle' cruise on the Chobe River - a great opportunity to see hippo and perhaps elephant or buffalo coming to the river to bathe and drink. The Chobe River is a major watering spot for large breeding herds of elephants, as well as families of giraffe, sable and cape buffalo. The flood plains are the only place in Botswana where the puku antelope can be seen. Birding is also excellent here. When in flood spoonbills, ibis, various species of stork and other waterfowl flock to the area.

Day 7: Kasane - Livingstone, Zambia

Distance travelled +/- 80 km

Approx. driving time: 2 - 3 Hours (excluding stops / border crossing)

This morning, we head out to explore the Chobe National Park on an open vehicle game drive where we have the opportunity to spot not only elephant that are so prolific in the park, but also lion, and different antelope species. Moving on from Kasane we take the ferry across the confluence of the Chobe and Zambezi Rivers into Zambia. Zambia, formerly known as Northern Rhodesia, took its name from the Zambezi River at independence in 1964. The Zambezi River is the fourth longest in Africa (after the Nile, Congo, and Niger) and the largest flowing into the Indian Ocean. Home to one of the world's largest waterfalls, we visit Victoria Falls and try to take in the immensity of one of nature's Wonders of the World. At various times of year, the spray from the Falls can be seen from up to 20 or 30 kilometres away, hence the local name 'Mosi oa Tunya' - the 'Smoke that Thunders'. We set up camp at the Victoria Falls Waterfront campsite on the banks of the Zambezi, just a few kilometres from the Victoria Falls and the small town of Livingstone. We will give a full briefing on the various optional activities available in the area (typically these include rafting, canoeing, bungee, abseiling, gorge swinging, scenic flights, and river cruises), allowing you to plan your time accordingly.

NB: For the sake of practicality, meals in the Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (allow US\$15 - \$30 per meal). Relax and enjoy these few days at your own leisure. Alternatively, take a taxi into Livingstone to try local fare.

Accommodation: Victoria Falls Waterfront (or similar)

Day 8: Livingstone

Our tour ends after breakfast, but we highly recommend staying a few more days in the area in order to explore the Victoria Falls area to the full.

Apart from the adventure activities already mentioned check out the markets, volunteer a day in some worthwhile local projects, or simply relax at the beautiful waterfront and watch the Zambezi River flow quickly past on its way to Victoria Falls.

TOUR STYLE:

Adventure Tour

Travelling on an adventure tour is great fun, but it can also be challenging! This is a *participation* tour, and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking, and keeping the Acacia vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife, and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding, and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

PRE TOUR ACCOMMODATION

We would be happy to book pre-tour accommodation and transfers for you - please call or email us (or speak to your agent) with your arrival details and accommodation requirements. However please book early to avoid disappointment and the risk of having to find more expensive (or less convenient) lodgings. If time allows, we also suggest planning a night or two extra (after your tour) to make the most of this part of Africa. Accommodation is usually available locally on arrival, but you can pre-book this with Acacia or your agent.

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft holdall or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips, and items of a personal nature. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

Spending money is best carried as cash. Namibian Dollars can be used throughout Namibia only and can be obtained from an ATM on arrival. US dollars (US Dollars in clean, un-torn, **post 2008** edition notes) is also accepted for many optional activities & at markets throughout Africa. We have an on-board passenger safe for security and your guide will advise how and when you can exchange money (US dollars, Sterling, or Euro) to local currency throughout the tour.

Currencies are as follows: Namibia - Namibian Dollar; Botswana - Botswana Pula; Zambia - Zambian Kwacha; Please note that South African Rand is also legal tender in Namibia at the same rate of exchange as the Namibian Dollar.

ATM machines are found in Windhoek, Maun, and Livingstone. Please note they are sometimes unreliable (and therefore should not be relied upon).

Credit cards can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment.
